Tape Worm Cured by DR. WILSON'S CELEBRATED VERMIFUGE. New York, August 9, 1887. A certain lady in this city testifies that, after using Dr. Wilson's Vermifuge, prepared by Fleming Bros. of Pittsburgh, she passed a tape worm ten inches long, and has no hesitation in recommending it to every person afflicted with worms, as, in her opinion, it cures every case, or nearly every case. The name of the lady, and further particulars, are learned by Dr. Wilson, through the kindness of Mr. E. L. Threlk, Druggist, corner of Raper and Shuman streets.
