DR. M'LANE'S VERMIFUGE ALWAYS RESORTED TO WHEN EVERY OTHER REMEDY FAILS.

New York, September 15, 1852.

☞ This is to certify that my child, three years old, was troubled with worms some six months. I had tried several kinds of medicine, but none of them done any good; and it was not until I tried Dr. M'Lane's celebrated Vermifuge, prepared by Fleming Bros., that she found any relief. I gave her the contents of one bottle, which brought from her a very large quantity of worms, but they were so completely cut to pieces it was impossible to count them. My daughter is now doing well indeed, she is completely restored to health. I therefore take pleasure in recommending it to parents. I would say, by all means keep a supply of this valuable medicine constantly in your houses. I have known many children to die suddenly from the effects of worms. It also not unfrequently happens that children are treated for croup, when the choking and coughing is caused altogether by the irritation of worms. Therefore, I say again, keep it always in the house; it costs but little, and may be the means of saving life; and at any rate it will save physicians bills.

MRS LANE, No. 333 Eighth street.

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS., Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. *None genuine without the signature of*

Wm. A. Batchelor's Hair Dye produces a color not to be distinguished from nature, and is warranted not to injure in the least, however long it may be continued.

RIO-GRANDE.

ANOTHER OPPORTUNITY is now presented for the farmers and all admirers of good horses, in this section of the country, to improve their Stock.

DESCRIPTION.

RIO GRANDE is a beautiful mahogany bay, 11 years old, near 17 hands high, perfect in form, remarkably fine eyes, and in the prime and vigor of blossom and speed, he needs only to be seen to be admired by every good judge.

RIO GRANDE is one of the finest and purest blooded horses in the world, as will be seen by reference to the English and American records of his pedigree. He is directly descended from the very purest and best stock in England and America, as the following pedigree will show:

PEDIGREE.

RIO GRANDE is by Billy Harris, out of Lady Morgan. Billy Harris was by Monsieur Tonson, he by Pacolet, dam by Madam Tonson, by Elliot's Top Gallant; grand dam by Barrey's Medley; Top Gallant by Gallatin; Barrey's Medley by Medley. Lady Morgan, the dam of Rio Grande, was by John Richards; her dam by imported Expedition; her grand dam by Bela Badger's Sir Solomon; great grand dam Aurora, by imported Honest John; great great grand dam Zelippa, by imported Messenger; g g g grand dam Dove, by imported Roy Richmond; g g g g grand dam Stamocking, by imported Wildair; g g g g g grand dam by imported Cub. Ariel, the dam of Billy Harris, was by American Eclipse; her dam by Financier; grand dam by Empress, by imported Baronet; great gran dam by imported Messenger; her dam by Snap, out of Jenny Dater, by True Briton; her dam Quaker Lass, by imported Juniper, out of the imported Molly Pacolet, by imported Pacolet; Molly Pacolet's dam by imported Spark out of Queen Mab. American Eclipse was by Duroc; his dam the famous race mare Miller's Damsel, by imported Messenger, out of the imported Pot-8s's mare; her dam by Jim Crack. Duroc was by imported Diomede, out of Mr. Mosby's "extraordinary race mare Amanda," by Col. Taylor's famous Gray Diomede, son of imported Medley.

It is deemed unnecessary to extend back any further the pedigree of Rio Grande, although it can be fully traced in the English Records back to a very long period of time.

RIO GRANDE is unquestionably one among the finest horses in the whole Southern country. His stock is of fine size, remarkably well-formed, durable, and easily managed. Testimonials from the very best raisers of stock in South Carolina, fully sustain all and more than is here stated concerning Rio Grande. He is unquestionably an extra fine horse in every respect. There is not a single drop of coarse or impure blood in his veins.

RIO-GRANDE

Will stand the present season, as follows: Tuesdays and Wednesdays at the Harris Depot, on the North Carolina Rail Road; and Fridays and Saturdays at my residence in Providence Settlement, (one can be seen in Charlotte on Mondays and Thursdays) and will be let to mares at *Ten Dollars* the *Single Leap*, payable at the time of service; *Fifteen Dollars* the Season; and *Twenty Dollars* to insure a mare with foal. Any responsible man putting five mares and assuming the payment for the whole, shall be entitled to the sixth mare gratis, at all of the above rates.

The Season will commence on Monday the 23d of March, and end the 23d of June.

RIO GRANDE will be regular at his stands (public days and High waters excepted.)

BENJAMIN FRANKLIN AND PROF. DE GRATH.

Franklin brought electricity from the heavens to earth, but it remained for Prof. De Grath to supply that electricity to the relief of diseased and suffering mortals—diseases that heretofore baffled the physicians' old treatment, such as Neuralgia, Rheumatism, Pains, Stiff Joints, Deafness, Swellings, Palsy, Piles, Skin Diseases, &c., are now cured by Prof. De Grath's electric oil *in one and two days.* Read this letter from a Physician who has practised since 1826—(two well known for common 61):

Prof. De Grath, Philadelphia:

Sir:—At intervals, during thirty years past, my wife has been subject to rheumatism of the most violent cast—[say four times a year]—sometimes so severe as to make it necessary to administer large doses of the tincture of guiacum and morphia, and to rock her like an infant in a large rocking chair, to induce any repose. Having frequent correspondence with my son, (No. 103 Chesnut street, of your city) I informed him of an attack she had about the middle of last month, [January,] which was of such severity as to completely paralyse the system. He, in his anxiety for his mother's welfare, sent me a bottle of your Electric Oil; but as I am one of the practitioners of medicine in our place, and not a proselyte to any kind of patent medicine, I am hesitate to give it a trial; however, on reflection, I concluded to try it, which I did, *et pessimo*, directly on to the letter, and after the third or fourth application she became rather passive, and before one-third of the bottle was used, not a single vestige of the disease remained in the system, and she still continues well, although she rose out a distance of fourteen miles without a renewal of any of the symptoms. I therefore feel it my duty, for the sake of suffering humanity, and also fully believing that merit, under all circumstances, should be rewarded, to forward this testimonial.

I am yours, truly

JOSEPH F. EMERSON, M. D.,
New Gretna P. O., Burlington Co., N. J.

P. S.—Any communication for me will be received by addressing to the care of my son, [merchant,] 103 Chesnut street

Philadelphia, May 16th, 1856.

Prof. De Grath:—I have been the victim many years of a Rheumatic affection, and but the use of my limbs. I could not raise my hand to my head, in short, I was totally helpless. I applied your *Electric Oil, and before I had used one bottle I was perfectly restored.* You may refer any sufferer to me.
