----Chevalier Wycoff.

A very amusing scene occurred in it House of Representatives, on Tuerday acc last, of which we were not an eye will but learned the particulars a short time ter from a friend who was an eye witness

A short time after Congress had and bled on that day, Mr Pryor, of Yorg having occasion to leave the Hall for a moments, on his return met Judge Soar Court of Claims near the entrance, and vited him to come in. On appr door, however, leading directly ders, refused to let any but members pa Mr Pryor informed him who his friend a without any right, and that unly Judge S. to be would have him purport self, even if he (P) had to do it. In ponse, the Doorkeeper remarked that did not know the gentleman referred to sight, and if he, Mr. Pryor, would publim out, he would try and have him removed. The Hou, member from Virginia, as

Doorkeeper, then entered the Wycoff, who, with glasses on his eyes, the white kid gloves on his hands, was played the politic gentleman to those around, a ed him rather in this wise District Court, is debarred the pr you out with the toe of my loos Chavalier went in double only

This man, as I have written the outrageous article Pryor, published a short time dition, he is a most disreputable
