\$40,790,497.05 (We will remark here, that the Comp. Names trashe Fre-troller sums up the aggregate value of real. The se Level, estate at 805,075, 900, 52; whilst taking Tax on Team Property and adding up the Aggregate Poli Taxon. whole as we have done there is a dierre, the contribe separately and adding up the Agging-in Pol. Time, whole as we have done there is a dierre, the first done there is a dierre, the first done there is a dierre. In the first done there is a dierre, the first Political Politics and Free Reality.

It will be seen that there are 117.913 as:

Is will be seen that there are IIT.013 tax. Moreoge Commonstate negroes in the State, embracing all of stude and Jerus. The both sense between the ages of I2 and 50. It is the sense of 1830 there were 285.548 aloves in the State. The number is now and muttedly more than 1001.000. Associated Religious Kales, and that as the number, in the absence of all ages at \$600, it shows that as the number in the absence of all ages at \$600, it shows ready value of all ages at \$600, it shows ready, the absence of the shows in the State to be weekl \$180, the same I swelly, then, the shows in the state to be needle \$180, the same I swelly the shows the situation of the shows the situation of the shows the situation of the same in the State to be needle \$180, the same I swelly the shows the situation of the same in the state to be needle \$1800, the same I swelly the same in the state to be a set in \$1800, the same I swelly the same in the state to be a set in \$1800, the same I swelly the same in the sam an under estimate, both in regard to nome her of slaves and of average and aggregate action to be salue. But it is sufficiently accurate for Mechanical Applied any practical purpose.
The revenue derived from real estate was

\$)01 meO 00. We think this is another a common mistake of the Compteolor's Spures Ar typer kathintane for Reward, coreding to our extensions, 20 cents on see. Bewing Aleys, ay \$100 of \$59.072.000 would produce the control of the compteology.

crais to deceive the people into the belief that the object of the Whigs is to devise new the family Hible as much as the pack of subjects of taxation—subjects now exempt, playing eards, the threshing machine as much as the billiard table, and so on—"pace widow," Ac. This is not only false, that it is absent. The Legislature stready has the right to tax such things, and if it were designed or desired to exercise that enable them to deceive the people and to while only any one. It is a cumingly devision the right to tax such things, and if it were designed or desired to exercise that

tion, but but to create new subjects of taxation, but but to create new subjects of taxation, unless the public necessities abould demand them.

At some future time we propose to show that as only the same amount of revenue maded average value of 8000. But, as the will be required under the one system or present assessment of lands will unfourther than the other words. that, as only the same amount of revenue will be required under the one system or the other, when the amount levied on persons is increased, the amount levied on property in the aggregate reluxion to consider and so in many cases a man's taxes may not in reality be materially increased or dimensional.

We have prepared from the Comptrol will produce the present who show the fellowing Tables, showing the aggregate valuation of the other, just quilibred, the following Tables, showing the aggregate valuation of increases of the control of the

minished.

We have prepared from the Comptroller's Report, just published, the following Tables, showing the aggregate raduation of flexibles, showing the aggregate raduation of flexibles, showing the aggregate raduation of flexibles and the present number of these figures every one who feels inclined can calculate how much such a system would add to or diminish the case, our to say the Eastern from the Western counties, and dividing Wake, as peither East nor West).
