friend.

"He'll sow these wild onts soon. My darling can never be a bad man." "God grant it "I thought to myself; and I knew that the 'sue prayer was upon Ellen's lips. and I knew that the "ame prayer was upon Ellen's lips. It was into when we retired, and we John fallen seleep in sis chair. On the following worning I walked out with my friced. I told him I was corry to see him as I and him the sight before. "Oh."

had a glerious time. I wish you many there." At first I though: I would say no more, but it was not ny even bit sature better than he are a binnelf. His appe-lites and pleasured crustice his own vision I knew how kind and generous he was-alas! too kind and generous he was-alas! too kind and generous he was-list evening, you would have trembled.-Inst evening, you would have trembled.-

He stopped me with- "Don't knew, I's "Don't be a feel. Why should she be these three menths.

I looked upon the man in the prisener's dock. He was standing up, and plead guilty to the crime of theft. He was a tall man, but bent and infirm, though us tall His garb was torn, sparse and filthy; his hair mathed with dirt, and his bowed form quivering with deiring. Certainly, I maver saw a more pitiable object. I moved my plase to obtain a fairer view of his face. He saw my morement, and he turned his head. He garzed upon me a single instant.

men i

tengue was tied at once. Then he covered his face again. I asked my legal compan-ion if the prisoner had councel. He still for the poor failow's benefit, and I would pay him. He premised and I left. I could not reas in this see that man tried. Tears serdid wratch, who saves every penny, or

"Ob, " said he with a laugh, " oh that they looked pale and wan, yet they smiled was nothing only a lattle wise party. We and seemed happy when their father kissed had a gerrous time. I wish you had been them. When I laft them John took me by there." againes it ; but the only money there was dreams and voices. In the important matagainst it; but the ouly money there was therein was a twelve kreutur piece, for the other was a bras button. Notwithstanding for he thought to himself, "something may be carried, even upon the water. There is mony a man who has grown rich upon the thice. During the first part of the voyage, the passengers were very talkative and marry, and the Jow, with his wallst under his arm -for he did not lay it aside- was the ob-ject of much mitth and unckery, as, alas is often the case with those of his metion. But as the versel sailed onward, and passed

"Where is John Anderson "I asked "Work is John Anderson "I asked "Don't know, Im sure. He's been gone here three menths. His wife died in the

is often the case with those of his notion. But as the versel sailed enward, and passed Thuringen and Saint Vet, the passengers, one after another, grow allest, and gased and gased listlessly down the river, antil one cried: "Don't be a rest. "I'n y an out of the set three meetins. The which due to the set of th and gazed listically down the river, antil one cried: "Ceme, Jew! do yen know any pastine wout to de aomotimes, is a most moving and that will amuso us? Your fathers must have contrived many a one during their Walker's imagination, by his earnest ed face. No. I read it is her looks," I said. "Perhaps a reflection of your own thoughts" besuggested. I here to the oburchyard. I found four graves which had been made in four years. The mother, wife and two children slept in them.

have contrived many a one outing their Walker's insgination, by his earnest Now is the time, thought the Jew, to taken my shaep! and he proposed that they shead sit sround in a circle, and propound they with their permission, would sit with them. Those who could not answer the questions should sit with them. Those who could not answer the questions the could pay the one who propounded them a tawler from the shorth or most inclusional, went to should sit with them.

wered them pertinently should receive a tweirs kreature piece. This proposal pleased the company; and hoping to divert themselves with the Jaw's wit or stupidity, each one asked, at ran-dom, whatever chanced to outer his head. Thus, for example, the first asked: 'How many sett-boiled eggs could the given All said it was imposeible to snewer that quantion; and each paid him tweive kreut-rers. were diverted to preach, 'as was Aaron'' Walker-Most sartinly I does Pastor-Give the Church, that is, the brathreau, the prof. Walker-I was mighty difficilted, and I was determined to go into the woods and wratted it cur. Walker-Acd while size wrastin, Ja-

then, so full of reproof, of surprise, and of pain.
"C______, I forgive you, for I know 'T he demon of the wine-table.'' But this was not all the work: No, ne, the was to be my friend; but never speak to me like that. I going down hill 'Yes how better. Thus can never be. I know But this was not the last lask—oot the last. My mother knews me botter than Ellen My mother knews me botter than Ellen Ath, had that mother been as wise as show was laving, six would knew seen that the "wild onts " which her son was solving would grow up and ripen to furnish ooly wed for re-soning. But she laved him—lived kin almost to well, or, I should say, to blindly.

There is a hard case,' remarked my cenversed on other subjects. I could appear iond. I looked upon the man in the prisoner's cerrespond often. There years more passed, during which the first sparkle of the red wine it had been down, down down, down foully reached.

has eaten easy and the endors of the Walker. Users and the stream of the Second thought: 'Wait, Jew' I then. Brother Walker - I couldn't tell, for the life even will try you out of the New Testament. Walker -- I couldn't tell, for the life even in the air, it acould of a curious. The Corinthians?' (Ressure he was not in the second to you. Walker -- Aid it appear to sound unto you. the hill has been finally reached., When I turned away from the cell and once more walked amid the flashing saloou and revel halls, I wished that my voice has power to thunder the life story of which I had been a witness, in the cars of all living
