Name - March - March

Oh ! I would have to be the thing Most valued and most deer, That brings the sunlight o'er the heart, And keeps it shining thire! No. 5, Granite Bangs, opposite the Manson Hease, CHARLOTTE, N. C.

The thing their livest more than life.
The treasured thing to theeThe darling, provides and believed.
Is what I'd live to be 2.

On I I would have to be a hird,

A gentle usphyr, lader, with The montrain-learni's break, I'd less to be, to fin thy chesi To blooming, beauties health.

To wartis all for the The Heaven taught anthems of the grove, Wherever thou may'st be.

Poetry.

What I Would Love to be ST WILLIS LIGHTHEAT, Oh! I would live to be a ster, To beam slene on thee: And glitter 'mid the darkest cloud That shades thy destiny!

Miscellaneous.

UNIOLE PHILLIPS BIDE.

PATITER KNUWS DEST.

J. M. Sanaras & Co., and associated with a brailer, Wm. Lim Daymess, we intend to each the beatings index the firm of trouble his nephew and namesake was

in the Stars of Davin Paris, Esq., new sensigi-BRANH BANK OF THE STATE.

A Full Stock of Furniture, tute look apon his flushed face, as though he were heaffating whether or not to do whit was in his mind. He turned at the sound of his unrile's voice with a half guilty look, and when the gentleman and on the mind of his unrile's voice with a mind of his unrile's voice with a mind guilty look, and when the gentleman and quietly. bought in CHARLESTON, or any oth

Superior Tobacco and Segars, lip. It you were not blinded by your engerness, you would see yourself, that it would be perfect reckieseness to go and I knew no nore, out upon the water to day. This is a When I opened my wind cloud, and it will burst in a gale lying in a strange be by and by ; I can hear the distant rumble of the surf even now; and see what stern, mournful countenance; it was a clear black and white the waves are! F. W. AHRESS. I am afraid, my boy, if you had yielded me N. B. In addition to the above, I intend to fit in the temptrations which came to you

and went on: 'When I was about your age, old Hotspur, the horse my father used to ride when he was a young man, died of sheer old age, and his place was taken by a new one—a beautiful creature, so full of spirit, so graceful, and with such a silky white cost, that your mother said no name feeling. An uncontious man is one of the would sait her so well as Sen Fourn — greatest bares is the world. He offends She claimed her as her horse and wanted to learn to ride her, lovely as the with kindness and consideration by his creature was, she possessed so fierce and unruly a will that it would be unsufe to trust her with any one but a strong man, until she should be thoroughly broken in. I thought this very simply to pay a proper deference to the hard, as I had been accustomed to feelings others. A well educated man is horses from a little child, and thought generally courteess. The fact of his mind myself quite capable of managing the most victous one. I had promised my-self-great pleasure in driving Sen Foam, are always courteens; the waits to give the prettiest creature in the country, as I thought, and it she were so spirited,

I tried to persuade my father to let "It is too much to be borne! One might as well be a slave at once! I have a good mind to go anyhow!"
I note Phillip heard these batter, into the Phillip heard these batter, into the property of the property

n the library, and he wondered what This opportunity came before long; it much is nephew and namesake was court day, and father and buyingss Poor boy, thought he, with a sight he is well trained, for he has all the sandstrong self-will that brought me so such misers — and then he roser, and whole day, and my mother was going part of the way within to visit a brend when he are the sand to be such as a such misers. much inisery '—and then he rose, and who lived near the road he would have taking his suck, imped to the door and to take. I listened to the plan with delight; it was laying time, the mon ed, he must tell the trath; but even that ming through a crab-abble orehard, swim to have in the far mondow, can be done in courteous language which up the rapids of Ningara river, raise the The best was standing in the hall my sister had permission to pass the will would no one. If confronting which will be the in his hand and an irreso lute look upon his hard and the const would be clear. It was Satur-

*Pat down your but, Phillip, and come in heac—I want you, he obeyed my plan. Tom, whom I did not tell of my father's prohibition, was ready binn with a grave, kind face, as he three houself solden have a special sold together with such a splential. him with a grave, kind face, as he threw houself sullenly into a chair, and said presently:

"Post fellow! something has gone eye and pawning feet, and started off, and we will see what can be about it, and we will see what can be still being the sullent with the animated and presently:

"Post fellow! something has gone eye and pawning feet, and started off, shey know how his tosehing sorrows, his eyer wrong with you, indeed. Tell me wild with the excitement of mistering pitying lore, his wonderful sacrifies for single and something and something and equity and as while the little trains with a time hand; and constrain their acceptable with the animated animate of particular to a little do not be an interest of particular to the same and pawning feet, and started off, and we will see what can be such a sport. All went well for a little with the animated animate of particular to the same started of the same trained of the same traine MOTICE: 21

AVING said out our course what is a particular of the week—a rowing match, von bullens in choose who may select with incoment them to great a particular of the week—a rowing match, von bullens in choose who may select with incoment them to great any our strong and sout, and all the week—a rowing match, von bullens in choose who may select any our little shaff—and father the follows have the man our tirends and any mire to great up strong and sout, and all that and I've practiced so hard I am pretty sure I should bear; and own, and all that and I've practiced so hard I am pretty sure I should bear; and own, and all the strong in the strong with all the strong with all the strong with a long, force rength and proud to say, he says I can't go. It's too had!

thing heavy and sharp passed over my foot; and then there was a strange rushing to my head, everything grow durk, denies him. And there the Lord commands. The most effectual way to build

When I opened my eyes again I was living in a strange hed, but it was my scenes, yes happy the families in such astern recovered by its side, with a cred keeping. my mother's tearful face that bent over

"He is alive!" they both exclaimed while the terrof November, slerge and combort—in while ago, you would have learned as and then there was a burst of sobs, and fell into a duch, where par discovered him bitterly as I did, the lesson that faither I fainted again. I need not dwell upon after some time, and exclaimed: 'And the lesson that followed, Prollin, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch, where par discovered him bitterly as I did, the lesson that faither was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a burst of sobs, and I list a duch was a bu our best?

You, anche Phillip? How was followed, Phillip, when my friends— F. W. AHRENS.

The highest pures poid for Butter, Eggs, that T. You never told me about it. The highest pures poid for Butter, Eggs, that T. You never told me about it. The highest pures poid for Poidment Tournamong them, for he had been only bringed by his fall—hing round me shadowed, and he said, sailly:

No. It is painful to me, even now, to think of the reckless, self-willed term per that made me its slave when I was a boy, and brought a his-long master butter and had been only bringed by his fall—hing round me starce knowing whether I wound live or die, You know what a token it left me," and he glanced sailly a his maining the said, sailly:

ANO. It is painful to me, even now, to think of the reckless, self-willed term per that made me its slave when I was a boy, and brought a his-long master butter and halling limb, and you can import that made me its slave when I was up lust disobedience.

TAYLUR'S

Rechase Pointer for the me soul it is a much better thing, that by me soul it is a much better thing, that by me soul it is a much better thing, for he had been only for it is washin and lodgin too."

Uncle Phillip's countenance grew shadowed, and he said, sailly:

No. It is painful to me, even now, to think of the reckless, self-willed term per that made me its slave when I was a street, commence beating a base drum.

TAYLUR'S

Bendowed, Phillip's countenance grew shadowed, and he said, sailly:

"No. It is painful to me, even now, to think of the reckless, self-willed term per that made me its slave when I was on the first in washing and lodgin' too."

Taylor and the master of the hall been only for it is washin and lodgin' too."

Tournamong them, for he had been only for it is washin and lodgin' too."

Tournamong them, for he had been only for it is washin and lodgin' too."

Tournamong them, for he had been only for it is washin and lodgin' too."

Tournamong them, for he had been only for it is washin and lodgin' too."

Taylor and the said, said by me soal it is a much better thing.

Tournamong them, for he

Your mother and I lived in the country, you know, when we were children, and our father had a good many horses; for he did not do business in the perionce. I so note, of course, futher city as yours does, but he had a large farm.

'I only wish grandfather was living now, and I could go and visit him! who had, and after the carried story is a couldn't cross maken.

'I only wish grandfather was living now, and I could go and visit him! holde in Phillip already interested.

His uncle both sighed and smiled, and was not insured. The children was not insured at Richmond, and will leave for the cargo, consisting of upwards of two hundred steeps and over three knows bests. As couldn't cross maken deed bales of See Liand, and over three hundred bales upland cotten, was a plant cotten, was an insurance on the cotten.

The schooner Lectors, of Charleston, was on fire at the same place, last, Friday, and whatever happens, believe always and whatever happens, believe always and went on: 'When I was about, your age, old Hotspur, the horse my

COURTESY.

Courtesy is not merely an observance of the conventionalities of society; it is in reality founded on common sames and manly greatest beres is the world. He offends everybody, and instead of being treated proces his demerits. To be courtsous is simply to pay a proper deference to the been liberalized, touches him the neacesity
