James M. Hutchison and Charles Overmon have been appointed assistant one, &c, should make application. Why the List of assistants throughout the County has not been furnished us for publication, we can not say. Whose duty was it? Wonder if it was the new elected county Court Clerk's.

We have seen notices in several papers south of the Patriotic states. We cannot let such notices pass without giving our Ladies a passing remark which is but a just tribute to them for their unwearied efforts they have been continually showing for the welfare of our soldiers, they have been sewing for them with unabated dilligence for some the fight. time, the young ones making up something to tempt the palate of the sick, some as doubt thinking and trusting, that, the cruel war will soon be at an end, when it will are trying to make their hard lot as easy dors with success.

In connexion with this important subject carks of the Richmond Whig with the letter of the Governor of Alabama to the laddes of that State in relation to their during the laddes of that State in relation to their during the laddes of that State in relation to their during the laddes of the soldiers in the service from Alabama.

The grand army of the Union "is still disorganized, damoralized, paralyzed.—Numbers of the volunteers leave by each train for their homes. Thuse who have

WORK FOR THE LADIES.

We copy a letter from the Governor of Alabama to the ladies of that State, sugdiers; and we hour that the ladies have tered upon the work proposed with impiness and a determination to accoun-Every Alubama soldier will be risin to be supplied with sucks. A like labor is needed at the hands of

III all want socks and flannel shirts, and that very speedily. If each lady in the State will kuit a pair of socks or make a frone stort, our brave soldiers will be well provided for winter. Dan't put off till tothe work at once.
The ladies of all the Southern States

would do well to perform the same service for the soldiers. We believe that all that for the soldiers. necessary is for the ladies to know that oir assistance is needed,

TO THE LADIES OF ALABAMA. Executive Department, Montgomery, Ais., July 20.

Knowing that the women of Alabama are anxious to do everything in their power for the comfort of the soldiers in the service of he Confederacy, I beg leave to suggest but each one of them kuit one pair of sub stantial woolen sucks, and deposit the same with the Judge of the Probate Court of the county in which she results, who will have them forwarded to the Governor of Alabams, at Montgomery-from whence they ers before the cold weather commences .-Governor desins nothing more necessasy, tean this suggestion, to secure from the patrictic ladies of the State a sufficient number of sucks to protect the feet of our arve soldiers from the frosts of minter.

Each of the newspapers in the State are respectfully requested to publish this com-munication free of charge.

A. B. Moons.

AUNT NELLIE.

LETTER FROM GENERAL PATTERSON PHILADELPHIA, July 25.

A private letter from Gen. Patterson, dated Harper's Ferry, July 22d, says:

where he had thrown up extensive entrements means and had a large number of heavy on the field that Sanday as the Federal gues. I could have turned his position and attacked him in the rear, but he had received large reinforcements from Mississip pi, Aisbama and Georgia—a total force of over 30,000 Confederate probably lost as many ments and had a large number of heavy on the field that Sanday as the Federal gues. Trainen for day scholars \$12, \$16 and \$10. For Catalogue address. Rev. R. BURWELL. against the moral lose of the World and Sanday and Sanday as the Federal side, against the moral lose of the Federal side. The Sanday of the Sanday as the Federal side. The Sanday of the Sanday as the Federal side. The Sanday of the Sanday as the Federal side. The Sanday of the Sanday as the Federal side. The Sanday of the Sanday of the Sanday as the Federal side. The Sanday of th " Gen. Juliusun retreated to Winehester, Virginia militis. My force is less than of the defeat and fight of the Federal army 20,000. Nineteen Regiments, whose term of invasion, and it cannot fail, in Europe, of service was up, or would be within a to prejudice the cause of the United States. week, all relused to stay one hour over Government.

Many stragglers of the army have come
Trenck's, Jarrette, Hith and Pitch Five
Regiments have gous home, and two more
of sill of them within the lines.

THINGS ABOUT WASHINGTON-THE "GRAND ARMY."

The Washington correspondent of the Baltimore exchange writes:

There is still great excitement, uncasiness and apprehension in this city, though apparently decreasing in fervor. Many of the troops who fled in diemay to the woods the troops who fled in diemay to the woods Commissaries for the Charlotte District, to whom a ldier's families in want of provision turning to the fold. They are southered about the city—the more desperate ones marging the eithers is spend to see the construction of the constr most instances insulted, to place the mat ter in the mildest possible form.

Every effort is made to conceal the ex tent of the disaster on Sunday. Guns have been mounted and given to artillery companies, and the public informed that they remained southern the battle field, MOUNT PLEASANT CABARRUS COUNTY, N. C. the enemy not having followed sufficiently far to capture them. They do not seem to reflect that, if this be true, that it only adds to the over-wholming disgrace of the fight. What excuse can be made for a man calling himself a soldier who would handoo his guns when the foe was not seen in sight?

The complete shout the extent of the Federal loss. It has not been exagera-

bring back the loved ones for whom they are trying to make their hard lot as easy The assertain is a reflection on the Amerias possible. We trust that being who has can name. The fact that an army of 30, don all their artillery and war equipage, and retreat in such utter disorder before an enemy whom they but a few hours before as commend to the immediate considers affected to despise, after suctaining a loss of or generous and patriotic ladies of of only 1,200, would affix a lasting stigms. the Hespital association the following re-out. And yet they claim to have fought

> money and cannot get away, provide them-selves with food, and keep a loof from head-quarters. Gen. Geo. B. McClellen will arrive, it is expected, to morrow, and upon reporting himself to the Department, will immediately be assigned duty. Soon as he takes command, the men will be obliged to report themselves, unless they can pre-

viously get away. The tipufuderate pickets extend a considerable distance this side of Fairfax Court House. Much four exists in this city of an invasion particularly among officials. I have noticed, for two or three days pant, that several Senators and members of Comof for winter. Don't put off till to what can be done to day. Begin and return here again next morning. Such transment with him.

All persons having business with me will be at once.

I at once.

Tweive or fourteen regiments are order ed to Harper's Ferry, to supply the vacan-cies created by deserters and the absence of those whose time has expired. Therfood ing of the production Patrosson's canniand in varied. Some say that they will not serve under the "Abolition General "Banks, who they have so confidence in len's Sungers and the Scott Legion, who served with honor in the Mexican nampaign, intend to go home. On the other hand, the interior of the State are some from the interior of the State are load in their criticisms of the military movement of Patterson, claiming for him the title of "rabel" and "traitor," saying he should have attacked Johnston, or cut

FROM WASHINGTON.

" Ion" writes from Washington to the Baltimore Sun (July 26) as follows:

day the subject was treated in plain terms.

Senator Wilson did not hesitate one to pronounce it a total rout, and to indicate one of its prominent causes, the incompetency of the prominent causes of the prominent causes, the incompetency of the prominent causes of the prominent causes. of its prominent causes, the incompetency of officers in command.

A bill is now before Congress proposing a plate of nice cake from an anonymous a remedy for this defect; while in the meantime, the War Department has provided a the fair domore just appreciation of aunt preventive by the creation of a military Nallie's whosesome advice to young ladies, board, for the examination and approval of preventive by the creation of a military from trading the reading where return, but believes that she has a well founded asspicion of the personal identity of her fair benefactress. At any rate, where r you may be, your aunt is unprepared, into battle. The same sort of unprepared influences still raises, and will much gratified to learn by this testimonial hampen stry commander, or counsil of war, that her advice has taken such good root or Cabinet. The President, it is true, did in one tender boom, and she hopes that not undertake to warp General Scott's judgyou will persevere in its practice until oth- ment, it is not doubted that the Cabinet

Congress vigorously and almost onani-mously seconds the efforts of the Adminis-tration and of the State authorities to re-

been offered, however.

Regiments have gone nome, and to avoid then McClellan is about to assume go to day and more to morrow. To avoid then McClellan is about to assume the gone gone for the army of the Potomac.—
being out off from the remainder, I fell back command of the army of the Potomac.—
