FOR THE N. C. WHIG. My Mountain Home.*

Oh! give me back my Mountain Home, Where the winds are fresh and free, And times with whom I used to room, When hearts best merrily,

Oh! give me leach those hoppy lower, That I have whiled away; When free from care's controlling powers, And surrow's blighting swuy,

Oh! give me buck the friends I've lost, And Beauty's origin spell; And bring agein, whate'er the cost, The smales I loved so well.

Oh! give me back the early dream, Of better days to come; And theret for glory ne'er again, Shall teach my feet to room

Old give me book the cherished hope, That I was loved by one, Whose glumens, like some lone, bright star, Upon my pathway shups.

And when these juys again are mine, And war's wild notes are o'er; I'll cores for Asten monds to pine,

"The Mugic Circle's" magic name. Clings round not memory with And ever will, till the first star In hope's bright beaven shall set,

My Mountain Home ! My Mountain Home ! My thoughts are still with thee, Though scorebed within the torrid zone, Or recent upon the wea-

BARISHED SON.

too have had the power to recent. Data and to have had too hat, for on the very night ofter he had intered it, Robert hid his mother and sister continued without uning aton. On the right a long farewell, and kissing away the tears that streamed from their eyes, stepped on board the boat that was to bear him away now, and when the many applied its from his native home. Twas a becutiful work was terrible in the Mexican lines, night as he sat upon the deck and watched. As length the enemy could stand that fairy costage now rapidly fading from his sight. He choughts first turned upon the past. Here all was "sunstine and the post. Here all was "sunstine and the bogsa and A. Again the iron halls whire best and his bogsa and A. Again the iron halls whire best and his bogsa and a chought of dwell there. loved him so much, and of the many times sich. The gallant Ringgold fails mortally shad sat in that vine covered portice acousted, and his hand gather around him. A hongecked busbs around watched for his return from school.— His sister, too! oh, how he would miss her rich, silvery lough and tender his stat had so often welcomed him home. His father? Yes, he still loved him, notwithstanding be bad cruelly banished bim from his home. had cruelly hanished him from his home makes another desperate effort to conquer. -"I say, John, where did you get that and heart. But still another occupid his life is baffled, and he shout of victory runs rogue's hat? - "Please yer bonor," said and heart. But still another occupied his thoughts that cain night. What would Ell through the American lines.

In thoughts that cain night. What would Ell through the American lines.

What a sad spectable is a field of victo would live him? "Ah!" he mark which was because of another, a size gave me yesterday, when you went to excuse my Ella again.—"I will never see my Ella again.—" field of human slaughter." And when town."

all was blackness and chaos. Not a single silence—no answer. I never star of hope was visible in that herizon to "Dead! Poor fellow!" came from the serror.

Stafford. Gen. Taylor, after a short stay in the city, embarked with the army, and lan-ded on St. Joseph's Island, from which point he again embarked for Corpus Christi, near the outh of the Nucces, and there he established his head quarters, September, 1845, Here again Robert was plunged headlong into sice. Ah, how different were his a--o eister now to those of five years ago! Now, instead of highly collisated and educated men, instead of a father, mother and sixter. be test for companions the rude uncultivated seidiers of the " Army of Occupation." But it is not to be supposed that he had en tirely forgotten his former position; for of ten, while indulging in some scheme of wick-edness, he would stop a moment and shed a tear for those who had loved him.

Although Taylor subjected his army to

has hered the signal gums of Fort Brown, and is cow hastening to the receue of the banks of the romanuc Alabama, a quiet sud beautiful extract. Its defeate particle was all overhung with rines, covered with flawers that indeed the air with their save was a college of stall. But watch their wave many will find a recting there are thorn at readom, made everything look cheerful and happy. The very birds seemed to lave to lingus around, and made the air with teling around, and made the air with teling around, and made the air with the receipt of the river, was a ced grown, made everything look cheerful and happy. The very birds seemed to lave to lingus around, and made the air with the round the culture which in the seemed to lave to lingus around, and made the air merry with their songs.

But notwithstanding the romance and beauty that clung around this cottage, yet is the pain of Paio Airo. It is the brave are so the way; is intered were to lingus around, and made the air merry with their songs.

But notwithstanding the romance and beauty that clung around this cottage, yet is first the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the pain of Paio Airo. It is the stage in possible the possible that is a good of possible the pain of Paio Airo. It is the stage in possible the possible three wars as the time our story opens, the fairer of two children, a boy and a gift in year of the pain of Paio Airo. It is the force the had accumulated a considerable forteness. He was, at the time our story opens, the fairer of two children, a boy and a gift. Even in early life Col Stafford's high temper was the case of very great measures are as the made you go as a stripping faded from Robert's vision, where the pain of Paio A

At length the enemy could stand the

cent city, and many volunteers joined the matted chapparal in hope of fluding have company, and with you, if I make the army. Among the first of these was Robert some stream or spring there. For hours he least noise, your hondaches, and so saying Stafford. Gen. Taylor, after a short stay in toils, but all in vain, he flude not the ob- I left the room. ject of his pursuit. At length, to his great less the speaker's voice faltered as she joy he discovered a small but almost hid said, "I have saw my sister any more—by the spreading trees. He crawled to the The next morning I started away carly, door and feebly knocked. After a conside before she was sake, to be gother for a few erable delay an old woman opened the days. Very soon I was sent fur to frome door. "Water! water!" he eried, and home, because my sister's illness had reainted at her feet.

For weeks the old woman watched over dend."

Here the mother stopped; she could say of the grave. He slowly recovered, but no more. Tears stood in the children's it was months before he could walk on ac-syss, and they were locked in each while s count of the loss of blood and his wounds, arms, and often after tout, when tempted Often, when laying upon his rude bed, with to use harsh words, the thought that they Often, when laying upon his rude bet, with to use harsh words, the thought that shey the kind eld woman heading over him, did be among the last they shruld ever utter, be think of home. Often did he sigh to be checked them, and they arms instead that there once more. Daily the old woman "soft answer that furneth away wrath" read to him a chapter of the Bible, and bitterly he repented of his former evil ways.

PAID IN YOUR OWN COIN.

Corpus Christi, and a portion of the army and the Bladaranda opposite Meas in Twas albeautiful evening in spring. The was sitting on his trunk ready to start for more, fold another portion to Point Isade.

The march rewards Matagioras was a drea and the rippling waters of the Alabama. "He only paid you in your own coin." reflected its lastrays. The gentle breeze and granometer; "people emerally doMexicane who througed the chapparal through which they passed. But again we the gay brids made the woods merry with will leave off details, and pass on to an event plottens, jet bloody—the battle of with its will leave off details, and pass on to an event plottens, jet bloody—the battle of with its will leave off details. Palo Airo.

It is the Sth of May, 1846. Gen. Taylor birds all sought their nests and hushed their has beend the signal guns of Fort Brown, souge, and now not a sound breaks the ets were full of the right sert of corn, said and is now hastening to the receue of this breeze that broods over the score except grand mother.

The numbers will be bondered among the control of the service and the service are the control of the service and the service are the service and the service are the control of the service are particular better attention to be service and the service are the control of the service and t gads of the contenting armore.

The battle thus, legan, and for hours it

Oh, cruel thought! He bowed his poor fellows nat there to answer to their nake my heart sole," said a mother to her names! But let us look to our hero—children, who were disputing over some long and bitterly. Presently he grow calas, and his thoughts turned to the future. But Stop! His name is called—a moment of voice cose words I once aftered, and which I never think of without feeling the deepest.

all was blackness and chaos. Not a single star of hope was visible in that horizon to beckon him on. His father had placed in his hands a purse containing a thousand dollars but directed, yes, commanded him never in future to let him hear from him either his mersage or letter. But we must bid Taylor and his men an after separate from that gallant army.—

Robort's stay in the emperium of Alabama was short. He hastened on to New Orleans, where he could drown his feelings in one round of dissipation.

Five long years passed, and each day Rabert had sank deeper into wretcheluess and vica. He had not during this time heard one word from him. Many nights he had slept in miscrable alleys, and longed for a crust of bread to satisfy his hunger.

In was in july in 1845, that Gen. Taylor, passed tirough New Orleans on his way to the Ferand roatter. As might be expected, a great excitement prevailed in the Crester of the carry, and many volunteers joined the least of his factor of the dead, but bloody and wounded he lies upon the battle field. But are always kind now."

We must bid Taylor and his men an after separate from that gallant army.—

Every one knows their glorious after deeds.

Stroy one knows their glorious after deeds.
