

ROTARIANS HAVE AN EXCELLENT MEETING

Music, Eats and Fun Was the Order of the Day At Regular Luncheon.

With a large attendance, the Rotary club held its regular meeting yesterday at 1 p. m. in the Y. M. C. A. with the Christmas air predominating the meeting and luncheon. Several visitors attended, including Arthur Ligon, of the Spartanburg Rotary club, four members of the local fire department and a like number from the police department. The luncheon was one of the best served in some time and the entire meeting was highly enjoyed by all people present.

Mr. Ligon made a brief talk, during which he tendered the felicitations of his club to the local club, wishing them a merry Christmas. Miss Rosa Warren, who recently returned from Chicago, where she is a student at one of the voice schools there, sang two numbers during the meeting, the first one being "It Came Upon the Midnight Clear" and "Mother o' Mine," the last named being sung as an encore number. A local orchestra furnished the music, and their music and the songs of Miss Warren added much to the pleasure of the day.

After the preliminary business had been dispensed with, the meeting was turned over to Santa Claus, impersonated by Dr. M. T. Adkins, who distributed various nice and useful gifts to the members and guests present, they being gifts of members of the club. Will Carr, on behalf of the Public Service company, presented M. E. Newsome, former mayor of Durham, with a gift in appreciation by the company of "the valuable service rendered the company while he was mayor." The package, when opened, revealed a pair of brogan shoes.

Plans for ladies' night, to be held during the first of the new year, were made, and it was determined to make it a brilliant and memorable occasion.

The meeting adjourned with the singing of the Rotary song:

"Blest be the tie that binds
Our hearts to Rotary,
And may the spirit in our lives
Bless all humanity."

A Big Pig

G. E. Gooch, Stem, route No. 1, has what he believes to be a record porker. The pig was 12 months old and weighed 448 pounds. Pigs of that age very seldom weigh more than 200 pounds, it was stated.
