ELECTION RETURNS.

THE REPUBLICAN NATIONAL COMMITTEE CLAIM NEW YORK.

New York, Nov. 7.—Evening World extra says there is little hope, though, Brice makes no concessions. Says Harrison will have 218 votes against 183 for President Cleveland.

New York, Nov. 7.—The Evening Telegram says, Harrison's plurality in the State is about 9,000. The Evening Sun places it at 1,000. The Evening News makes it 4,451.

California is claimed for Cleveland, and Illinois. The Democrats are claiming Illinois, but says it has probably a Republican plurality of 2,000.

New York, Nov. 7.—The Republican National Committee make the following statement to the public. "Republican National Headquarters, Nov. 7th:

In view of the claim being promulgated by the Democratic National Committee that they have carried the State of New York for Cleveland, and as they are sending telegrams to their local committees all over the State to that effect, the Republican National Committee have sent out to the chairman of each Republican county committee of the State, the following telegram. Although full returns from every county in the State show New York safe for Harrison by upwards of 15,000 plurality, the Democrats are telegraphing to their county chairmen, claiming the State and urging them to pay attention to the returns. See to it that the returns are thoroughly guarded until they are officially counted. Prevent frauds at all hazards. In case of necessity employ counsel. Notify us of any tampering with returns. Communicate with your town committee at once if necessary by special messenger.

M. S. QUAY, J. S. FASSETT.

MICHIGAN.

Detroit, Nov. 7.—Michigan has gone Republican by a plurality ranging from 13,000 to 18,000 on the electoral ticket. Lane (Rep) for Governor, runs behind the rest of the ticket, but not more than 5,000. He lost in the large cities but gained in the country where he did not have to encounter the opposition of the liquor men.

CONNECTICUT.

Hartford, Conn., Nov. 7.—Connecticut gives Cleveland a plurality of 429 with two towns to hear from, which will reduce it to about 350. Morris (Dem.) beats Balkley (Rep) for Governor 1,500 with three towns to hear from. Congressional elected; first district, W. E. Simonds, Rep. 823 plurality; second district, W. F. Wilcox (Dem.) 953 plurality; third, Charles A. Russell (Rep.) 670 plurality; fourth, Frederick Mills (Rep.) five plurality, with towns to hear from which will make it about 100. The General Assembly is Republican by about the same as last year.

Hartford, Conn., Nov. 7.—Later State returns show the election of Congressman Edward W. Seymour (Democrat) in the fourth district. His majority is 398. The Congressmen are thus equally divided—two each.

OHIO.

Columbus, Nov. 7.—Chairman Capeller claims this State by 25,000 for Harrison and Morton. The Democratic committee makes no claim, but still says the vote on the National ticket is close. The Republicans gain two Congressmen, Morey in the 7th and Burton in the 21st, and lose one, Rogers in the 10th.

CALIFORNIA.

San Francisco, Nov. 7.—Returns through California are coming in very slowly and as there are no complete city or county returns no basis of comparison with the vote of 1884 is possible. The Republican and Democratic State central committees both claim the State, the former by from 7,000 to 9,050, while the latter claim to have a majority of 2,000 to 3,000. The city of San Francisco has been carried by the Democrats. The Evening Post (Rep.) says Cleveland's majority in the city will be 4,600, while the Democrats claim 8,000 to 9,000 and that the Republicans will not come to the city with a sufficient vote to overcome this.

NEW JERSEY.

Trenton, Nov. 7.—The Democratic plurality in New Jersey is now put down at 5,000. The Democrats elect two Congressmen in the 3rd, Fowler in the 4th and McAdoo

in the 7th. The Republicans elect Bergen in the 1st, Buchanan in the 2nd, Beckwith in the 5th and Leback in the 6th. The Legislature will be Democratic by a close vote. The Senate stands Democrats 11, Republicans 10. This is the first time in ten years that the Democrats have had the Senate. The lower house is claimed by the Republicans to be a tie, but the Democrats say they have a majority. The closeness of the legislature will make the contest for United States Senator next winter unusually exciting.

TENNESSEE.

CHATTANOOGA, Nov. 7.—With nearly complete returns from the third Congressional district, the Republicans confidently believe that Evans, Republican, is elected to Congress by three or four hundred majority. The Democrats, however, do not admit Bates' defeat. The excitement is intense and business is virtually suspended. Bull-dozing and intimidation of colored men attempting to vote the Democratic ticket in this city by colored Republicans was a most bold and disgraceful proceeding. Men were bodily carried away from the polls, colored women taking a conspicuous part. There was no serious disturbance, however.

NEW HAMPSHIRE.

CONCORD, Nov. 7.—Returns in 162 towns and cities give Harrison 33,898, Cleveland 28,342, scattering 1,056. The same places in '84 gave Blaine 28,734, Cleveland 25,935, scattering 1,515. Republican net loss 758.

VIRGINIA.

Richmond, Va., Nov. 7.—Great excitement prevails here to-day in striking contrast with the quiet situation of yesterday. Cleveland has carried the State by a reduced majority. The Democrats elect six Congressmen, the Republicans one and three are doubtful.

Danville, Va., Nov. 7.—Lester, Democrat, carries this district by from five to eight hundred majority in Danville, and in Pittsylvania 763. Henry and Floyd counties go for the Republican by 500 majority.

Staunton, Va., Nov. 7.—Augusta county and city of Staunton give Cleveland 1,834, Tucker for Congress 843. Returns from the district are very meagre. The result is close, both sides claiming by a small majority.

Lynchburg, Nov. 7.—Bedford county goes Democratic by 1,157 majority. Edmunds, Democrat, for Congress in the sixth district is elected beyond a doubt and by a handsome majority.

DELAWARE.

Wilmington, Del., Nov. 7.—An Evening Bulletin says: Kent county has gone Democratic and the Legislative ticket is elected by 1,695 plurality. This insures the election of a Democratic Senator to succeed Saulsbury.

NORTH CAROLINA.

Additional Returns From Some of the Counties.

CHATHAM.

With two precincts to hear from that will gain about 50 Republican majority, the majorities in Chatham county are for Cleveland 622; Fowle 608, Bunn, 621. The Democratic Legislature and county tickets were elected from 800 to 1,100.

JENKINS.

Official returns elect Ellington sheriff over Fuller, Ind., by seventeen majority.

GRAHAM COUNTY.

Robbinsville precinct gives Fowle 215, Dockery 42. Graham county gives 153 Democratic majority.

JACKSON COUNTY.

Jackson is Democratic by 300 majority.

STOKES.

Stokes is Democratic by 450. Democratic Senator elected in Davie. Yarkin is Republican by 9.

EDGEcombe.

Edgecombe has gone black with a vengeance. Nash badly beaten. Killebrew elected over Cobb. Entire Republican ticket elected by a large majority.

ROCKINGHAM.

Rockingham county gives Democratic majorities as follows: Cleveland 300, Fowle 212, Morehead 282. Whole Democratic county ticket elected except the treasurer, who is beaten by an independent Democrat.

HERTFORD.

Winton, Nov. 7.—Hertford county shows large Democratic gains over

HOW IT LOOKS AT WASHINGTON.

Harrison's Election Conceded—He Carries All the Blaine States and New York.

WASHINGTON, D. C., Nov. 7.—5 P. M.—At this hour a res in e of the returns received from all sections of the country elect Harrison President. He carries every State that Blaine carried in 1884, and in addition New York State. Upon this State at this hour the election hinges and there is no material change in the returns. About half of the State has been heard from. These returns indicate about 4,000 plurality for Harrison. The Republican Committee claims between six and eight thousand, while Chairman Brice, in a private dispatch received at 4 p. m., says: State is close, and it will require the official count to determine the result.

All of the afternoon New York papers conceded that Harrison has carried New York State and the World gives it up. No Southern State votes differently from what it did in 1884, and of the so-called doubtful States Cleveland carries New Jersey and Connecticut. Indiana is close, and is not likely, from returns in hand, to give 500 plurality either way. California is certainly Republican; so also is Michigan. The Republican majority in Ohio is considerably reduced, as is the Democratic majority in Virginia, which is placed at 5,000. The next House of Representatives is probably Democratic by a reduced majority. Hill is elected Governor of New York by about 3,000 plurality, and Grant, the Tammany candidate, Mayor of New York City. Speaker Carlisle in Kentucky, Congressman Mills in Texas, and Congressman Randall in Philadelphia, have all been re-elected by increased majorities, the latter having no opposition.

Smiles.

If Job were alive now he would probably change it to: "Oh, that mine enemy had written a letter."—Syracuse Herald.

The woman who gets but one letter a year always reads it on the street. —Athens (Ky) Globe.

Mr. Clumsy—"What do you think of my riding?" Teacher—"You haven't got any talent for riding, but if you insist on trying to ride, you ought to practice falling off" without getting hurt."—Texas Sittings.

Which is the longest word in the English language? "Smiles" because there's a mile between the first and last letters.—Christian Register. The Register has probably forgotten the word beleaguering. There is three miles in a league.—New York Observer.

"Old man, you are not looking very happy this morning."
"No; the fact is my new baby is confoundedly cross, and I'm loosing ground."
"Yes, but remember the promise, 'No cross—no crown.'"
"Well, the crown business may be all right; but I assure you no cross would mean considerable more sleep to me these nights, and I don't know that a crown would fit me very well, anyhow."—Detroit Journal.

Railway Progress and Improvement.

St. Louis, Nov. 7.—The Richmond and Danville Railroad Company is about to construct between its tracks water tanks of modern construction that will permit the locomotives to draw up water without stopping, thus offering a material saving of time. As the engine is running over the tank, the engineer lowers a scoop into the tank and the speed of the train produces the pressure that forces the water through the scoop into the tender. This will be done preparatory to establishing solid vestibule trains between New York and Atlanta.

Our New Governor.

News-Observer. Judge Fowle returned to his home in this city last night after addressing a crowd of over 1,500 people yesterday at Carthage. His canvass has been one of the most brilliant and effective in the history of the State. Entering the campaign with the issue doubtful, he has wrought most admirably, and to-day we have the assurance of Democratic triumph by a large majority. He has indeed labored faithfully and efficiently. Highly distinguished before, he has won fresh laurels. He is fully deserving of the victory that will be his to-day and of the exalted honor in which the people everywhere hold him.

The Rebuke Administered.

Stateville Landmark.

A great many of our people have supposed that the Republican managers in this State were scoundrels but nobody supposed until this campaign that they were stark tools. The fact is, that judged by their actions they don't know enough to come in out of the rain. The fellow Eaves, the chairman of their State executive committee, not only issued last week a lot of circulars which inflamed the Democrats, but Radical asses in Charlotte and elsewhere secured the appointment by Judge Dick of a number of negro supervisors of election, and this was the straw that broke the camel's back. The white people of the State rose in their wrath, Tuesday, and administered a rebuke, the meaning of which even a fool can comprehend. Will the Radical politicians never learn anything about the temper of our people?

Dr. Herndon Vindicated.

EDITORS DURHAM RECORDER.

We notice an article in your paper taken from the Raleigh Signal headed Dr. Herndon of his base, which was a base misrepresentation of the truth in every paragraph. Dr. Herndon being at Mr. Pollard's on business and hearing the character of a high-toned, christian gentleman, who is a candidate in Wake county, grossly assailed in his absence in a many way came to his support, and before taking his seat made a few convincing remarks relative to the tariff question, which, by the speakers of the day, had been presented in false colors, but did not slander Durham or any individual, but stated that labor was as well paid in Durham as anywhere.

A. S. POLLARD, J. L. ADAMS, JR., W. W. HALEY, P. C. MORING.

The Coalition in Craven.

The Coalition ticket in this county is again defeated, and this will, we suppose, put an end to all efforts to secure such representation in the General Assembly as will prove beneficial to the county. The Republicans did not keep the faith as well as they did two years ago. On the night before the election the most bitter partisan speeches were made and the prejudices of the negro aroused, which told at the polls the next day.
