When the hair shows signs of falling, begin at once to use Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color to gray and faded hair, and renders it soft, pliant, and glossy.

Of cases of scrofula and other blood diseases are hereditary, and therefore difficult to cure. But we wish to state in the most positive, emphatic manner that Hood's Sarsaparilla does cure scrofula in every form. The most severe cases, too terrible to describe, have yielded to this medicine when all others failed. If you suffer from impure blood in any way, take Hood's Sarsaparilla.

Catarrh is in the blood. No cure for this loathsome and dangerous disease is possible until the poison is thoroughly eradicated from the system. For this purpose, Ayer's Sarsaparilla is the best and most economical medicine. Price \$1. Six bottles, \$5.00. Worth \$500 a bottle.

Merit Wins.

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that selling well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. R. Blackall & Son, Druggist.

Save Your Hair

By a timely use of Ayer's Hair Vigor. This preparation has no equal as a dressing. It keeps the scalp clean, cool, and healthy, and preserves the color, fullness, and beauty of the hair.

"I was rapidly becoming bald and gray; but after using two or three bottles of Ayer's Hair Vigor my hair grew thick and glossy and the original color was restored."—Melvin Aldrich, Canaan Centre, N. H.

"Some time ago I lost all my hair in consequence of measles. After due waiting, no new growth appeared. I then used Ayer's Hair Vigor and my hair grew

Thick and Strong.

It has apparently come to stay. The Vigor is evidently a great aid to nature."—J. B. Williams, Floresville, Texas.

"I have used Ayer's Hair Vigor for the past four or five years and find it a most satisfactory dressing for the hair. It is all I could desire, being harmless, causing the hair to retain its natural color, and requiring but a small quantity to render the hair easy to arrange."—Mrs. M. A. Bailey, 9 Charles street, Haverhill, Mass.

"I have been using Ayer's Hair Vigor for several years, and believe that it has cured my hair to retain its natural color."—Mrs. H. J. King, Dealer in Dry Goods, &c., Bishopville, Md.

Louisville, Ky., April 15, 1890. Radam's Microbe Killer Co., Nashville, Tenn.:

Gentlemen—I have been troubled for some time with an acute form of kidney disease, for the relief of which I have consulted several of the best physicians in this city, but with no appreciable benefits resulting from the faithful use of the medicines ordered. I had lost thirty or forty pounds in weight, was naturally greatly reduced in strength and had frequent rigors which possible may have resulted from uremic poison. Several weeks ago I concluded to give the Microbe Killer a trial, and the result of its use has been gratifying to me and a surprise to my friends. I have fully regained my strength and weight, suffer but little or no pain, have no recurrence of the rigors, appetite good, and have the fullest confidence in a complete restoration to health. I willingly recommend the Microbe Killer as a remedy of great value.

Very respectfully, Wm. H. Meffert, For sale by R. Blackall & Son,
