Hard to Evade Justice.

Hard to Evade Justice. Will H. Shepherd, a prominent contractor, who mysteriously disappeared from Wilkesbarre, Pa., last September, roturned late Saturday night. Yesterday morning he was arrested by County Detective Philips on a warrant sworn out by Mayor C. B. Sutton charging Shepherd with alienating the affections of the Mayor's wife. After all, the true test of a newspaper's real value is not the amount of original matter it contains, but the average quality of all the matter appearing in its columns, whether original or selected. Miss May TALMAGE, daughter of Rev. T. DeWitt Talmage is to be married on the evening of the 2nd, of December to Mr. Daniel Morgan. wife.

Born or Line 78tors will cure or prevent should ave the Bornes and Cattle are milled, then with otvo Satisradius.

URHAM

We have 10,000,000 people who seldem get a good square meal. A gun is like a mule; when it is overloaded it kicks.

In New York 10,000 children starve to death every year. There is no bigger coward anywhere in the world than the man who is afraid to do

right. Many people mistake stubborn-ness for bravery, meanness for economy and vileness for wit.

wrong kind.

In this land of the rich and home of the brave there are 39,000,000 people without homes.

Of the 2,000,000 people who live in New York only 13,000 A woman should posses

great virtue, for she often has to provide enough for both her-

alone, on the plan that a wise king does not make war on his own faithful subjects.

Is your father a Christian, asked the new minister. No, replied the boy, he sings in the choir.

Brouchitis, and other Lungdiseases, It is composed of the purest Nor-wegian Cod Liver Oil, combined with the Hypophosphites of Lime and Soda with Iron, and is freely prescribed by the Medical faculty throughout this country and in Europe. Rev. Dr. Hawes says: Bevond all doubt "Camm's Emul-sion is a most capital article. I am almost prepared to say that I owe my life to it. I was taken sick last January. Had a narrow es-cape from nueumonis; as left with considerable inflammation in my lungs, and was in a bad; condition considerable inflammation in my lungs, and was in a bal condition every way. My physician, Dr. Jas. T. Spencer, prescribed this "Emul-sion," and L LIVED on it for three-months or more. My health is now better than it control to Hong Kong. She goes via Vancouver and is due at Hong Kong December 10, on which day she is to marry Captain Brown, of Hantsport, who is now in charge of the docks at Hong Kong. Hong Kong. Miss Hibbert visited Hong

Kong early last summer with her father. There she met Captain Brown for the first time. She promised to return in the fall and marry him and she has kept her word. She will have to travel 7,000 miles to reach her prospective hus-

Editorial Ability. In a recent issue of the New York Journalist it takes the fork Journalist it takes the ground that the scissors are quite as important as the quill, and frequently more so. The following is what it says: A goed many people de not know that an editor's selections

from his contemporaries are quite often the best test of his editorial ability, and that the function of the scissors is not merely to fill up vacant spaces, but to reproduce the brightest and best thoughts and the most attractive news from all sources at the editor's command. There are times when the editor opens his exchanges and finds a feast for eyes, heart and soul The thoughts of his contemporaries glow with life. He wishes his readers to enjoy the feast, and he lovingly takes up the scissors and clips and clips, and sighs to think that his space is inade-quate to contain all the treas-ures so prodigally spread before at the editor's command. There ures so prodigally spread before him.

Two More Caught.

Two More Caught. The North Carolina man is still investing in New York green goods. Wednesday's Sun says: Big Pohceman Peter Reen, who does duty in the Pennsylvania Railroad depot in Jersey City, noticed two typical Southerners yesterday waiting for the Southern ex-press train. One of them had a satchel which he seemed to be guarding with special care. a satchel which he seemed to be guarding with special care. The policeman took both the men to Police Headquarters, where the satchel was opened. The Southerners were the only ones who exhibited any sur-prise when the satchel was found to contain several bun-

dles of green paper. They were greatly chagrined. It was only a case of two more victums of "green goods" swind-
