NO. 33

Highest of all in Leavening Power .- Latest U. S. Gov't Report.

ABSOLUTELY PURE

CREETINGS TO CEORGIA

What On of Her Most Prominent Citizens Writes About One of Georgia's Great

Remedies. TO THE PUBLIC: After several

tive She has a displacement of 5,870 tons, while that of the cine I tave ever seen or known for the multitude of its remedial virtues.

First, drawing upon experience, I know that it will cure catarrh. I succeeded the Rev. Dr. Hawthorne as the pastor of a Baltimore aburch just wonty one years ago. Removal to a colder and more chargeable climate with want of care in protecting myself, brought on an attack of catarrh which has continued with me ever since until I complete the content of the content of the content of 5,870 tons, while that of the could know.

If we could know today that never more That voice would call us on life's weary way,

Happy Lives.

She tossed beyond,

If we could know.

She would know today that never more That voice would call us on life's weary way,

Happy Lives.

She tosed the of 5,870 tons, which the could know.

If we could know to a sum of 5,870 tons of

2. It is, as claimed, really a positive cure for stomach troubles, such fig station.
