MORE ABOUT CURRENCY. IS MR. HENRY TO BLAME? the highest place in the cabinet OF THE TAR HEEL STATE! DURHAM N. C. Sep. 5 '95. Editor Recorder:

In order to make the suggestion about national currency noted in my letter of two weeks FAIRBROTHER TALKS OF IT. ago better understood, I want to say: First, that while the history of the world shows that bi-metalism is far preferable to monometalism, if the guards to keep two metals at a parity are not strong, there is the same danger of suffering at the hands of the ter Henry seeming to be just rupt. He claims that in his Kings, but that the green back, can people, and the newspapers at scoundrel and Cleveland a goo-goo. I coin the word goo goo which, as a neologist, I de-Silver Barons as from the Gold now the issue before the Americonstitution, will not only secure the parity of the coins, but is less apt to be hoarded by the syndicate and kept out of circulation. It is the money of the massesprosperity the country depends.

would not save the United States from the humiliation of being at worth a premium in foreign stance, as follows: countries, why is not the green-back—the non-interest bearing due bill of the government, based due bill of the government, based due to the countries, why is not the green-back—the non-interest bearing during my illness, the past five due to the countries, why is not the green-back—the non-interest bearing during my illness, the past five due to the countries, why is not the green-back—the non-interest bearing during my illness, the past five due to the countries of the countr upon the same credit, good money in America and for Americans? Is there any logical reason for loading the country down with debt in time of peace other than debt in time of peace other than and columns of serious come.

Who would want to "redeem"

than pay the debt? The bankers, and their tools, he appointed his henchman Matt might have been that he said Ransom, to an office of 17,500 dol. he intended to be a democrat. It was in violation of the law, nor I do not know. But I do know Long live Walter Henry to es lars in violation of the law, nor than the latter who accepted the office and drew the pay, though he had been in the Senate for twenthan the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the democratic party he had an understand the latter who accepted the latter who acc ty-four years and helped to make right to do so.
