New Tomato for 1900

LIVINGSTON'S MAGNUS.

This very distinct and most promising new variety of the color of BEAUTY and AGE, is the latest addition by Livingston to the Tomato family. It is thicker, heavier, and more solid than either of the above, making it easily the most handsome sort in cultivation. The form is perfect, uniform, large and attractive. Pile up very firm. It is a robust grower, with short joints setting its fruit clusters closer together than most varieties, and is therefore a heavy cropper. It is especially adapted for shipping, and is remarkably fine for forcing indoors and out. Order at once.

Per Pkt., 20c; 3 pkts., 50c; 7 pkts., \$1.00

THE SUN,
BALTIMORE, MD.

The Paper of the People, for the People and with the People.

Honest in Motive,
Fearless in Expression,
Sound in Principle.

A newspaper is an educator; there are all kinds of educators, but the man who spends money judiciously and liberally is better able to impart his knowledge than the man who has little or nothing to spend.

The Sun is the highest type of a newspaper.

The Sun's reports from all parts of the United States are unsurpassed.

The Sun's Cable Service is the finest known; the troubles in the Philippines and in South Africa demand competent correspondents and vast expenditure of money and labor in getting the news. When you get The Sun you get news and intelligent presentation of facts with it, as well as carefully prepared articles of editorial writers of highest standing.

When you read a daily paper, whose principal recommendation is its cheapness, you get the dregs—generally very poor dregs at that.

By mail, 50 cents a month; six months, \$3.00; one year, \$6.00.

BALTIMORE WEEKLY SUN,
The Best Family Newspaper.

All the news of the world in attractive form; an agricultural department second to none in the country; market reports which are recognized authority; short stories, complete in each number; an interesting woman's column; and a varied and attractive department of household interest.

One dollar a year. Inducements to getting-up clubs for The Weekly Sun. Both the Daily and Weekly Sun mailed free of postage in the United States, Canada and Mexico. Payments invariably in advance. Address
