## A Woman's Health

Is a heritage too sacred to be experimented with. For her peculiar and delicate ailments only medicines of known composition and which contain no alcohol, narcotics, or other harmful or habit-forming drugs should be employed. The one medicine which fulfills all these requirements is Dr. Pierce's Favorite Prescription—a remedy with a record of over forty years of cures to recommend it; a remedy, the makers of which print its formula on every bottle-wrapper and attest its completeness and correctness under oath; a remedy devised and adapted to woman's delicate constitution by an educated physician—an experienced specialist in woman's diseases; a remedy, every ingredient of which has received the written endorsement of the most eminent medical writers of all the several schools of practice for the cure of woman's peculiar diseases; a remedy which has more bona-fide cures to its credit than any other sold by druggists for woman's special requirements. It is not given away in the form of "trial bottles" to be experimented with, but is sold at a fair price by all dealers in medicines.

Delicate, weak, nervous women should especially shun the use of alcoholic medicines which, from their stimulating and exhilarating effects may seem, for a time, to do good, but which from the inevitable effects of the alcohol in shrinking up the red corpuscles of the blood are sure to do great and lasting harm in the long run. Besides they beget a craving for stimulants which is most deplorable.

Only invigorating and nerve strengthening effects can follow the use of this famous medicine for women. It can not possibly do harm in any state or condition of the system. It has been carefully adapted to woman's needs by an experienced physician—a specialist in their diseases. It makes weak women strong and sick women well.

If a woman has bearing down, or dragging pains, low down in the abdomen, or pelvis, backache, frequent headaches, dizzy or fainting spells, is nervous and easily startled, has gnawing feeling in stomach, sees imaginary floating specks, or spots before her eyes, has melancholia, or "blues," or a weakening disagreeable drain from pelvic organs, she can make no mistake by resorting to the use of Dr. Pierce's Favorite Prescription. It will invigorate and tone up the whole system and especially the pelvic organs.

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic, "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked, "worn-out," run-down, debilitated teachers, milliners, dress-makers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

No woman suffering from any of the above symptoms can afford to accept any secret nostrum or medicine of unknown composition, as a substitute for a medicine like Dr. Pierce's Favorite Prescription, which is of known composition and has a record of over forty years of cures and sells more largely to-day than ever before. Its makers withhold no secrets from their patients, believing open publicity to be the very best guaranty of merit.

Dr. Pierce invites all suffering women to consult him by letter free of charge. All letters of consultation are held as strictly private and sacredly confidential and all answers are returned in plain, sealed envelopes. Address: Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." They are the original Little Liver Pills first put up by old Dr. Pierce over 40 years ago. Much imitated, but never equaled. They are tiny sugar-coated granules—easy to take as candy.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

The defendant will also take notice that a warrant of attachment was issued by said Clerk on the 3d day of November, 1906, against the property of said defendant and the sum of \$239.00 in the hands of Robert Holloway was garnished, which warrant and notice to the said garnishee to appear is returnable before the Honorable Fred Moore at the time and place above named for the return of the summons, when and where the defendant is required to appear and answer or demur to the complaint or the relief demanded will be granted.
