### Home-Made Catarrh Cure.

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed, because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative tissues of the Kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons, which, if not eradicated, are absorbed by the mucous membrane, and an open sore or catarrh is the result. Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.

### DURHAM COUNTY SCHOOL BILL.

#### Mr. Manning's Bill to Elect School Board by Popular Vote.

Reference has been made in these columns to the bills introduced in the legislature by Mr. J. S. Manning which provides for the election of the school boards of the city and county of Durham by popular vote of our citizens. It is stated upon good authority that Mr. Manning does not intend to push the matter so far as the city schools are concerned, but that he feels that in reference to the county schools he is pledged, having made speeches in the last campaign to that effect. Below is the bill as presented to the legislature, and which will become a law, unless the people of the county prevail upon Mr. Manning to withdraw it. It is a matter for the people of the county to see to. If you want the school board elected by the people, let Mr. Manning know it, and on the other hand if you are of the opinion that the school matters in this county has been managed well, and think the present provision for the election of the school board sufficient, let him know at once. The bill reads as follows.

A bill to be entitled "An act to provide for the election of the county board of education of Durham county by the qualified voters.

The general assembly of North Carolina do enact:

Section 1. That there shall be elected in the county of Durham at the general election to be held in the year 1908 and every two years thereafter by the duly qualified electors there of three (3) persons to be chosen from the body of the county and shall hold their office for two years from the date of their qualification and until their successors shall be elected and qualified.

Section 2. The county board of education of Durham county shall qualify and enter upon the discharge of the duties of their office on the first Monday of December next succeeding their election and they may take the oath of office before any person qualified by law to administer oaths. If any one of the members of the said county board of education so elected shall fail to qualify as herein directed and other two persons so elected shall qualify, then the vacancy caused by the failure of the one to qualify shall be filled by the other two members so qualifying, and if any two or more persons so elected shall fail to qualify then the board of county commissioners of the county of Durham are authorized and directed to fill the vacancies. Any person appointed to fill must qualify within thirty days after notification thereof. The failure to qualify within that time shall constitute a vacancy to be filled by the county board of education or the board of county commissioner which made such appointment.

Section 3. That this act shall apply only to Durham county.

Section 4. That all laws and parts of laws in conflict with this act are hereby repealed.

Section 5. That this act shall be in force from and after its ratification.

#### A Strange Story.

Mrs. Isaac W. Austill, of Chestnut Ridge, N. C., tells a strange story of great suffering. "I was in bad condition for months, but got no relief. My periods had stopped all but the pain. After taking part of a bottle of Wine of Cardui, nature worked properly and without pain. I advise all suffering women to use Cardui." A pure scientific remedy for women's ills. \$1.00 at druggists.

#### The Judge Uses Forceful Language.

Judge W. B. Simmons of Fincastle, Va., told the reporter that L. & M. Paint was used on his residence in 1882, and held its color well for 21 years; he furthermore said that 3 years ago he was induced to use another paint and is sorry he did, because the other paint didn't make good. The Judge will now always use L. & M., because he knows if and defect exists in L. & M. Paint the house will be repainted for nothing. The L. & M. Zinc hardens the L. & M. White Lead and makes L. & M. Paint wear like iron for 10 or 15 years. Actual cost of L. & M. about \$1.20 per gallon.

Donations of L. & M. made two churches, Sold by HACKNEY BROS., Durham.
