DEATH RECORD IN DURHAM

Work of the Grim Reaper in Our Community.

THEIR FRIENDS AND RELATIVES MOURN

W. H. Adkins, Morton Andrews, Miss Annie Parrish and Others Answer the Roll-Call—Funerals and Burials.

W. H. Adkins, a well known farmer, who lived in Patterson township, some twelve miles south of this city, died a few minutes after midnight Tuesday morning. Paralysis caused his death and he was stricken less than twelve hours before the end.

Mr. Adkins was as well as usual Monday morning and up to the dinner hour. He ate a hearty dinner and a few minutes later, at 12:30 o'clock, was stricken with paralysis. This was the first stroke that he ever experienced. At first his left side seemed to be the only part of his body affected but later he became unconscious and gradually grew weaker until the end.

Mr. Adkins was 76 years of age and was well known over the county. He had lived in the section where he died for a long number of years and was liked by those who knew him. He left a wife and seven children, four daughters and three sons, all of whom are married. He has one brother living and a large number of other relatives.

Mr. Adkins was twice married. His first wife was a Miss Leigh, daughter of Stanford Leigh. Of this union there are seven living children, four daughters and three sons, all of whom are married. His second wife was Miss Amanda Pope, who survives her husband. There are no children by this second union.

The funeral took place Wednesday afternoon at 3 o'clock, after which the remains were interred in the Berea church cemetery.

MORTON J. ANDREWS.

Morton J. Andrews, son of J. G. Andrews who lived on West Main street, died Wednesday after a lingering illness of several months. In fact he was afflicted and from early childhood was crippled. While he had been ill for several months, suffering from a lung trouble his death at this time was a surprise to his friends.

Mr. Andrews was 35 years of age. He was a consistent member of Main Street Methodist church. His father is living and he is also survived by two brothers and one sister. His brothers are W. H. and Eulissus Andrews and the only sister Miss Mattie Andrews. In addition to these he left a large number of other relatives. He had made Durham his home about 21 years.

The funeral took place from the home Thursday afternoon at 3 o'clock conducted by Rev. T. A. Smoot, pastor of Main Street Methodist church. After the funeral the interment took place in Maplewood cemetery.

MISS ANNIE PARRISH.

Miss Annie Parrish, who had been in the Watts hospital for sometime and in an extremely critical condition for three weeks or more, died last Tuesday night at 10:30 o'clock. The remains were taken to the home of her brother, W. G. Parrish, East Markham street, where the body remained until the funeral and burial took place.

Miss Parrish was taken to the hospital in a desperate condition and an operation was necessary.

She never recovered from this operation and two or three weeks ago her death was daily expected. But as she held on to life more hopes were entertained for her final recovery. Her death, however, was no surprise to those who had been watching by her bedside.

Miss Parrish was the daughter of the late D. C. Parrish and her father and mother are both dead. She left five brothers, as follows: J. W. Parrish, of Orange county; W. G. and C. P. Parrish, of this city; P. L. and D. S. Parrish, of Nash county. She was 28 years of age and a consistent christian, being a member of the Methodist church.

FUNERAL AND BURIAL.

The funeral and burial of the remains of Master Roy, little two-year old son of M. D. Harris, of Willardville, took place Tuesday afternoon. The body of the little child reached here over the Norfolk and Western road, and the body was taken direct to Maplewood cemetery, Rev. T. F. Haney, of the Presbyterian church, conducted the funeral. Quite a number of the friends of the family attended the funeral and burial.

\$46,000 FOR THE Y. M. C. A.

An Effort Will Be Made to Have a \$50,000 Building.

A BUILDING COMMITTEE APPOINTED

Enthusiastic Meeting at Academy of Music Tuesday Night.—Friends of the Move Are Jubilant.

The friends of the move for a Y. M. C. A. building for Durham are now rejoicing. Their efforts to raise funds for the erection of a building were successful beyond their mark. At the last moment a ten thousand dollar donation to the fund came in, making the total amount pledged for this purpose \$46,180.

The climax of the campaign came with the mass meeting last Tuesday night when a goodly number of people—ladies as well as gentlemen—gathered in the Academy of Music to hear the final reports of the committees. There was a great deal of interest and enthusiasm and as the meeting continued this enthusiasm increased. During the preliminaries and talks it was announced from the audience that some gentlemen who had been out of the city wished to contribute \$300. This was received with applause. Then the committees began to hand in their final report and as each item was announced there was additional applause until the total for the last two days campaign amounted to \$2,487, not including the \$3000.

In the meantime there was an incident that caused the wildest enthusiasm and applause. While Capt. E. J. Parrish was talking, and after he, as chairman of the central committee, had called for the final reports, he pulled from his pocket a telegram that was addressed to Mr. George L. Lyon and came from New York. This telegram was from B. N. Duke and he said that he would subscribe \$5,000 for himself and that his brother, J. B. Duke, had subscribed a like amount. This made a grand total of \$46,180 for the campaign.

It was then suggested, and will no doubt be done before the building is completed, that final total be made \$50,000. It was a happy scene and one that carried pride to every person. Not only were those so enthusiastic over the Y. M. C. A. proposition proud that they had met with such success but all were proud of Durham, proud for the young men who will be benefitted by the move.

THE BUILDING COMMITTEE.

No time was lost in getting things in shape for the erection and equipment of this building. Before adjournment last night the building committee was named by those present, the names being suggested as a whole and vote taken. Those elected as a building committee are as follows: Julian S. Carr, L. A. Carr, L. G. Cole, W. H. Crutchfield, Angier B. Duke, G. C. Farthing, P. C. Graham, I. F. Hill, Charles L. Haywood, C. F. Lawrence, George L. Lyon, E. J. Parrish, James R. Patton, James H. Southgate, J. E. Staggs and George W. Watts. This committee will now have charge of the matter of carrying to a successful end the erection of this building, which when completed will be a credit to the town.

THE MASS MEETING.

The meeting was called to order by Capt. E. J. Parrish, chairman of the central committee, who, after the audience had joined in singing "All Hail the Power of Jesus Name," called on

Rev. E. R. Leyburn to lead in prayer. Then Capt. Parrish introduced Mr. J. H. Southgate who made a talk in which he told of the great good such an institution would be here and then gave a history of the campaign, from the time two years ago when Mr. G. W. Watts said that he would give \$7,500 of \$30,000 for this purpose, or in other words one fourth. He followed it steps until the time was ripe for work, at which time Gen. J. S. Crrr and Capt. E. J. Parrish, each very generously gave \$3,000 to the fund.

He was followed by Capt. E. J. Parrish who made a talk in which he saw in his mind's eye not only the \$35,000 building asked for but a \$50,000 building. He said that there had been more than six hundred contributors to this fund now in hand in the way of pledges. Then he brought about the final climax by calling for the reports and reading the ten thousand dollar telegram.

After the announcement of the audience joined in singing the doxology and Rev. C. J. Thompson, pastor of the First Baptist church, dismissed the audience.

Benjamin Halliburton is here visiting relatives and friends for the first time in 24 years. He expected to find a familiar town and see familiar faces but was very much disappointed, as both the town and the people had outgrown his remembrance.

The home of T. E. Belvin was burned last Sunday morning, including all of his household effects. Some members of the family did not have time to get as much as a change of clothing. The loss is estimated at from \$1200 to \$1500 with no insurance.

Walter Riddick, a negro, who is serving a term on the county road force, had his arm caught in the rock crusher one day this week, and was hurt so bad that his arm was amputated. He was sent to the roads for larceny and his time would have soon been out.

Justice of the Peace J. E. Owens had several cases on his docket this week against the Southern railway for failure to deliver freight promptly. The amounts were small, and all the cases tried went against the railroad, and were appealed to the superior court.

S. B. Burch, buyer for the W. A. Slater Company, is now on the northern markets, where he has gone to purchase a spring stock of goods, and it is needless to say that he will keep up the standard of high quality goods that has been the custom of the Slater company.

Invitations have been issued to the marriage of Miss Hattie, daughter of Mr. and Mrs. Leroy Page, of Nelson, to Mr. A. Harvey Ragan. The ceremony will be performed at the home of the bride February 28th at 8 o'clock. Mr. and Mrs. Ragan will make their home in New Hill.

At a meeting of the board of city aldermen last Monday night they decided not to enforce the recent order which made it the duty of the Durham Traction Co. to place groved tracks where the streets were paved with brick. A committee was appointed to adjust matters relative to the keeping up of the road bed of the track, and will present at a later meeting an ordinance to that effect.
