

# THE DURHAM RECORDER.

## SEMI-WEEKLY.

VOLUME 87.

DURHAM, N. C., MARCH 12, 1907.

NUM 91.

### The Rise of Jimmie Johnson.

1.—"BOY WANTED."

Little Jimmie Johnson was a very likely lad, sharp as tack, and looking out for chances to be had. Watched the papers—found one: "WANTED—Boy for office work." Went and got the job at once and hustled like a Turk.

### SHORT LOCAL ITEMS.

Find "Mary Jane." Cotton, Monday, March 11, 11 cents.

Watch "The Rise of Jimmie Johnson."

The infant child of Mr. and Mrs. E. D. Crabtree died at the home of its parents in West Durham last Friday.

Look up the change of the advertisement of C. E. King & Sons on the fourth page and see what they have to say about field and garden seeds.

J. Newton Hall, of East Durham, died last week at his home in East Durham, of heart trouble. Deceased was about 40 years of age and leaves a wife and two children.

W. W. Reed, of Raleigh, has accepted a position in this city with W. M. Yearby. Mr. Reed has been in the drug business for many years and knows the business well.

On his return trip from Richmond last Friday, Capt. H. F. Drake, the conductor, fell on the train while the train was at Oxford, and broke a rib. He came on to Durham, and at last accounts was getting along very well.

Miss Hattie Robinson, of West Durham, was united in marriage to Maynard Laws, of Orange County last Friday in the office of the treasurer by Justice Cox. They returned to West Durham, after which they left for their future home in Orange County.

S. H. Reams, for some years agent of the Seaboard road here, has gone to Raleigh, where he will have charge of the same company's business. People of Durham generally know and think a great deal of Mr. Reams and their best wishes for his welfare goes with him to his new home. R. L. Montgomery will succeed Mr. Reams in Durham.

An unusual damage suit will be docketed at the next term of court. Miss Fannie Cozart, of this city, is suing the proprietor of the Vade Mecum Springs for damage sustained sometime last summer while she was guest at the hotel. She went driving, bringing a horse belonging to the hotel, which she claims was an unruly animal, and the harness was defective, and she was thrown out and sustained injuries which has caused a great deal of suffering.

### SMALL POX IN WEST CHAPEL HILL.

Items from the Chapel Hill News for Recorder Readers.

The following items from the Chapel Hill News will be of interest to our readers:

We learn that Mr. Walter Cheek, who has been confined to his room for several months with rheumatism, is quite ill at the home of his father, Mr. Boardman Cheek, in Andrews' Academy neighborhood.

We learn that Mrs. Sam Williams, mother of Mr. H. M. Williams, of West Chapel Hill, died at her home near Martha's chapel, Chatham county, Sunday morning. The interment took place Tuesday.

Uncle Sam Merritt, perhaps the oldest colored citizen anywhere in this section, died Saturday at his home near town. Quite a large crowd of colored people attended the funeral and burial Monday. He was aged about 87 years.

News of the death of Mrs. Stella Griffin, (nee Miss Holt,) daughter of Mr. Sam Holt, was received here Monday. Deceased passed away at her home in Pittsboro after a short illness. She was well and favorably known in Chapel Hill.

The new vault in the county court house at Hillsboro is nearing completion. The commissioners issued an order Monday for about half of the cost on the vault. We understand that when it is completed the cost will be about forty three hundred dollars. The commissioners could not have invested the money to a better cause.

### SMALL POX IN WEST CHAPEL HILL.

The News is reliably informed that one of Thos. Clark's little sons has a well developed case of the small pox. Dr. Abernethy, who has been attending the boy, called Dr. McNider in yesterday evening and both agreed that it is a well developed case. Every precaution should be taken by the proper authorities to prevent the disease from spreading.

### UNIVERSITY COMMENCEMENT.

The commencement program of the University, will be as follows:

Saturday, June 1.—Class day exercises of the class of 1907; laying of the corner-stone of the new library; inter-society banquet; reunions of the literary societies.

Sunday, June 2.—Baccalaureate sermon, sermon before the Young Men's Christian Association.

Monday, June 3.—Alumni Day; reunions of the classes of '57, '82 and '97, alumni address, alumni luncheon; meeting of the board of trustees; inter-society debate; faculty reception.

Tuesday, June 4.—Commencement Day.—Graduating exercises of the class of 1907, commencement address; conferring of degrees, etc.

As the presence of the alumni at the commencement exercises of the University is becoming a more and more important feature of the occasion each year it is hoped that many will be able to visit Chapel Hill this spring.

ARGO ARGO ARGO ARGO ARGO ARGO ARGO ARGO ARGO ARGO.

The Alaska Packers Association have liberated from their Hatcheries in Alaska, up to 1906, over three hundred and fifty-one million (351,000,000) young salmon. Their Fortmann hatchery is the largest in the world.

### R. A. Harris a Suicide.

The last day of February Aubrey Harris secured license from the register of deeds for marriage to Miss Ethel Wrenn, and was united in marriage the same day. The young couple left Durham the same day for Jacksonville, Fla., and nothing had been heard of them until a message was received here last Saturday that young Harris had killed himself in a hotel in Jacksonville.

Young Harris gave his age to the register of deeds at 21, but it is said that he was only 18, while the age of the bride was only 15 years. He married against the wishes of his father, and this and other things connected with his life recently is assigned as the cause of the taking of his own life.

Eugene Belvin has entered suit against the N. & W. Railway. The cause of the suit was the fact that a fire started by an engine of the company and much land owned by Mr. Belvin was burned. The fire occurred sometime ago and the company and Mr. Belvin failed to agree on the price of a settlement.

### Mix This at Home.

The following simple home-made mixture is said to readily relieve and overcome any form of Rheumatism by forcing the Kidneys to filter from the blood and system all the uric acid and poisonous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases.

Try it, as it doesn't cost much to make, and is said to be absolutely harmless to the stomach. Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle, and take a teaspoonful after each meal and again at bedtime.

This simple mixture is said to give prompt relief, and there are very few cases of Rheumatism and Kidney troubles it will fail to cure permanently.

These are all harmless everyday drugs, and your druggist should keep them in the prescription department; if not have him order them from the wholesale drug houses for you, rather than fail to use this, if you are afflicted.

### The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicines in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.

The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves.

Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient antiferment.

Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure.

Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent, or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes has any such professional endorsement.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." Easy to take as candy.
