NEWS FROM OUR REGULAR CORRESPONDENTS

Items of Interest from Various Places as Viewed and Told by Those on the Field.—Personals.

From Buffalo.

(crowded out of last issue.)
Nothing has heard today save the howling wind. You cannot hear the songs of the little birds as they fly to and fro, singing their sweet songs in the merry spring time.

While most of the farmers are sitting by the fire Jimmie is preparing his turnip patch. It is rather soon, but he made a failure last year, so he wants to be in time this year. We have not suffered for salad, however, as our good neighbor, Mr. Lote Wilson, furnishes all we want.

The last cold spell did a great deal of damage to the fruit crop in Buffalo. Am afraid our mail carrier will not have the opportunity of securing so much fruit as he did last year.

Misses Daisy, Amie and Myrtle Wilson spent an afternoon with the writer recently, and the time passed off quite pleasantly.

There seems to be a great deal of attraction on Buffalo for Grover Tilley. Go ahead, I wish you much success.

Ross Clark caught a large owl in a steel trap a few nights ago, and that will put a stop to the loss of chickens in the community.

Boys, don't be in such a hurry to tell the girls how much money and land you have. If you have money they will be more than apt to find it out, since you know girls are dear lovers of money. It is not indeed a safe plan to marry for money alone, where love does not exist you will not find a happy home. M. K. C.

Rougemont, Route 2.

Rev. J. D. Bowen will fill his regular appointment at Redmountain the second Saturday and Sunday.

Miss Alice Rowen, of Rougemont spent Saturday and Sunday in Roxboro with her sister, Bob Laws, Luther Carver, Luther Tilley, Robert Gray and Edgar Mangum were welcome guests at Griffin Gates' Sunday afternoon.

Mrs. Bedie Lunsford spent Monday and Tuesday in Durham. Mrs. Caroline Harris has returned home after spending

several days with her grand daughter, Mrs. Ernest Tilley.

Miss Lillian Lunsford spent Friday afternoon with Miss Connie Mangum.

Miss Minnie Canady has returned home since her school was out. She said she hated to leave Rougemont very much.

Miss Ora Nichols recently spent several days with her sister, Mrs. Emma Tilley.

I. T. Carver spent Saturday night and Sunday with his uncle, Isiah Carver.

Miss Willie T. Hall has returned to Rougemont after spending several days in Durham.

I guess everybody that has planted corn wishes it was back in their cribs as the weather has been so cold.

Miss Lizzie Apple has returned home after spending several days in Virginia with her brother.

A. M. M.

From Hurdle Mills.

Will the editor and the readers of the Recorder admit a Hurdle Mills boy to your interesting correspondence corner? I have been a reader and admirer of your admirable paper for some time and I think our little village should be heard from once in a while, so you may expect to hear from me occasionally in the future.

Easter came and passed very pleasantly. The young people of this community anticipated an enjoyable time picnicking at Hurdle Mills pond but owing to the extremely cold weather our plans were spoiled.

Court is in session this week at our county seat town, Roxboro, with Judge Justice presiding. The writer was present one day the impression that Judge Justice made was good. An unusual large crowd were there and horses and horse traders were there by the "string."

Mr. Charles Briggs and children of Guilford county, spent several days here visiting her parents, Mr. and Mrs. A. V. Moore. She returned home a few days ago.

Spring is here, but it seems that winter somewhat hesitates in breaking away her icy fetters

that have us bound.

George Briggs, of Guilford county, was a visitor of Hurdle Mills a few days ago.

I am sorry indeed to state that one of our good citizens and veteran of the civil war, Mr. Wm. P. Moore, is very feeble not having been able to be out but very little for several months.

A few more weeks and the farmers of this community will be deeply submerged in real farming, such as tobacco planting, etc. A good many have already been planting corn.

As this is my first letter I will say that I hope to have something more interesting next time.

A. P. D.

From Morrisville, Route 2.

The land stays so wet that farmers are not doing any plowing.

There was a runaway marriage in this community Thursday the 12th. The young couple intended to get married on Wednesday afternoon, but the father of the young lady found it out and carried his daughter home. The officiating magistrate and several friends of the young couple went out into the woods and the knot was tied. (The above is published just to show our correspondent that he forgot to say who the young couple were that had such an experience in getting married. This is no exception, and frequently we leave out what would otherwise be a good item because something just as important as the names are in this case is left out and we have no way of knowing.—Ed. Recorder.)

John O'Neal lost a little child recently. The burial took place near Leesville at the family burying ground.

Jimmie Ferguson lost a fine cow a few days ago.

Mrs. Maggie Scoggins, who has been living in Durham has returned to this community and will make her home with the family of J. E. Ferrell.

E. L. Ferrell has begun work with W. M. Ferrell.

The school at Oakland was out last Friday.

Miss Minnie Brinkley, who lives on the rural route from Lillian, has been visiting her cousin, Miss Vallie O'Neal, in this community recently.

It is reported that mad dogs have been passing this way.

J. F. F.

From Lillian, Route 1.

Farmers in this community that endeavored to get such an early start with their work are now somewhat behind, as the corn that has been planted will have to be planted again. Vegetables that were planted during the warm weather look like they have a full case of the grip, and one would suspect that the frost Saturday morning had finished them.

There is but little sickness in this community at present.

There was a surprise marriage in this section last Thursday when Arthur Richardson, son of Joshua Richardson and Miss Mettie Allen, daughter of Elias Allen, were united in marriage.

The infant child of Mr. and Mrs. John O'Neal, of Edgemont, was brought here last Thursday and buried at the family burying ground. The young parents have many friends in this community who extend heartfelt sympathy to them in their bereavement.

Miss Martha O'Neal and Mrs. Thomas O'Neal, of Elbern, Warren county, have been visiting friends and relatives in this community this week.

Mrs. J. E. Parham spent last

Tuesday night with Mrs. Sallie Ferguson.

Mrs. H. M. O'Neal spent Tuesday night with her parents, Mr. and Mrs. Simeon Brinkley.

J. E. Ferguson spent Wednesday night in East Durham and returned home Thursday with a load of guano.

The writer lost a good milch cow Wednesday. W. R. Griesom has a sick cow, and I hope he will not have the bad luck I had.

I will ring off and try to prepare some more corn land, for what I had already planted is frozen.

J. E. F.

Special Memorial Service.

Rev. J. D. Bowen, of Wake Forest College, who is pastor of Redmountain Baptist church, called in to see us Monday, returning from his regular appointment, where he conducted service Sunday.

From him it was learned that at the next regular service at Redmountain, the second Sunday in May, a memorial service will be held in memory of the late Captain William Bowling. The service will be held at 11 o'clock Sunday, May 12th, at which time the pastor will be assisted by the deacons and other members of the church that knew the deceased and lived as his neighbor. A large congregation will be present as Captain Bowling had a large number of relatives and friends that will attend this special service.

From the Oxford Ledger.

Rev. T. A. Smoot, a prominent minister of the Methodist church of Durham, occupied the pulpit of the Methodist church in Oxford Sunday and delivered two very interesting sermons to the pleasure and edification of the congregation.

We learn the Creedmoor Dispensary will be in charge of Mr. Lydo Curl, one of the town's most worthy young men, and Dispensary Commissioners were fortunate in securing his services.

Dr. Sam D. Booth, Granville's very efficient health officers and who ranks among the best in the State, informs us that the few cases of small pox near the Durham county line are rapidly improving. It is thought the disease was brought from Durham county.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing permanent cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of the Univ. of Pa.; Prof. Bennett, of the Univ. of Pa.; Prof. King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is a safe and reliable medicinal base and a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.
