#### Obituary of Wm. P. Moore.

The subject of this notice was born Nov. 30, 1837, and died Apr. 26-1907 making his earthly abode 69 years and 4 months 26 days. He was the son of the late Silas and Priscilla Moore, and grew up to be a hard working young man and when war was declared between the States, he was among the foremost to respond to his country's call to arms. He served faithfully in the war until the battle of Sharpsburg in the year of 1863 and at that time and place he suffered the great loss of his right arm, thus rendering him a cripple for life, but this loss did not discourage him he went to work and during the remainder of his life he worked hard and prepared a good living for himself and wife who was the daughter of the late Calvin Hawkins Esq. Mr. Moore was a man well known in his and many other counties of the State having once filled the position as county treasurer. He was an uncommon strong man, and up until about a year or more ago enjoyed God's richest blessing, that of good health. About a year ago his health began to be not so good much of the time he was unable to be out but very little. On the 9th day of April he was stricken with something like paralysis, from which he never rallied. He remained in this condition for seventeen days and during the whole time he was never known to murmur or complain. It was all well with him and his master, although he had never made a public profession of religion, still he was a great respecter of religious matters, and left very favorable impressions that peace had been made between him and his master and when the final end came he passed away into the great and mysterious beyond without a tremor or struggle, and we believe and hope that today his immortal soul is rejoicing in Heaven, with God and the angels. He was preceded to the grave by his wife and two sisters, and a host of friends and relatives, who are much grieved at his death, but it is God's will be done and not ours. His remains were laid to rest in the country, at Berrys Grove church. Peace to his ashes.

ARCHIE P. DANIEL.

#### CARD OF THANKS.

The bereaved widow of the late Mr. Moore wishes her sincere thanks to be expressed to all the people who were so kind to her during her husband's illness and death.

#### The New Board of Aldermen.

The old board of city aldermen met Wednesday night and turned over the affairs of the city to the newly elected aldermen.

Aside from electing the various committees among themselves and re-electing the present city clerk, market and cemetery police, and janitor for the municipal building, little was done, but adjournment taken until Thursday night.

Owing to the fact that the hotel Carolina has been destroyed by fire the North Carolina Bankers Association will not meet here May 22-24. At a meeting of the executive committee held in Greensboro, it was decided that the meeting would be held in Winston.

#### RESULT OF THE CITY ELECTION.

Mayor Graham Re-Elected—The Ward Ticket Elected Except One Man.

Tuesday's election passed off very quietly. Only one fisticuff was reported and that amounted to very little. All day long candidates and their friends were at work trying to elect their men, and when a fellow went to the polls that was in doubt as to the man of his choice every effort was made to get him polled for men suitable to the fellow that happened to get hold of him.

The fight between the principal candidates for mayor J. F. Freeland and P. C. Graham, was close all day, and friends of both candidates were on the anxious seat. However, Mayor Graham was the choice of the people and will serve another two years.

From the first it was seen that the bond issue would poll a very small vote, and friends of the measure soon realized that the fight was lost.

Here is the official vote as to the mayorality: P. C. Graham 757; J. F. Freeland 691, and S. E. Thompson 21. The total vote for the candidates for aldermen in the various wards is given in the following:

First ward: J. B. Mason 859, J. B. Warren 740, Seeman 712, and Fallon 671. Messrs. Mason and Warren were declared the aldermen from this ward.

Second ward: W. T. Pollard 831, T. S. Christian 766, D. B. Cameron 760, and J. S. Mangum 668. Messrs. Pollard and Christian were declared the aldermen from this ward.

Third ward: I. F. Hill 1,270, E. H. Bowling 786, and P. W. Vaughan 595. Messrs. Hill and Bowling were declared the aldermen from this ward.

Fourth ward: J. D. Pridgen 811, N. Underwood 795, J. F. Wily 692, and W. J. Griswold 605. Messrs. Pridgen and Underwood were declared the aldermen from this ward.

#### Panama Canal—Erie Canal.

Machinery is digging the Panama Canal a thousand times quicker than the shovel dug the Erie.

Machinery produces the L. & M. Paint at 30 times less cost for labor than if made by hand.

The L. & M. gives the best job in the world, because L. & M. Zinc hardens L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years. It only requires 4 gallons of this celebrated Paint and 3 gallons of Linseed Oil at 60c. per gallon, to paint a moderate sized house.

If any defect exists in L. & M. Paint, will repaint house for nothing.
