NEWS FROM OUR REGULAR CORRESPONDENTS

Items of Interest from Various Places as Viewed and Told by Those on the Field.--Personals.

Rougemont, Route 3.
We have been having some more cold weather. It seemed almost like frost.

Mr. Hall filled his regular appointment at the Academy last Sunday.

We hope for a good Sunday the 26th, as that is Mr. M. M. McCarthy's regular appointment at New Bethel and Rougemont Methodist churches.

The Sunday School at Redmountain Baptist church will practice on their songs, etc., on Saturday evening.

The farmers were afraid that their tobacco plants were going to be too small to plant, but now the land is ready and it is so dusty through this little section that it cannot be planted till it rains again.

Wheat is looking well now.

The young people seem to be enjoying themselves in this section now and in our little village, as they are getting together in crowds of about fifteen or twenty-five, on Sunday, and march from one place to another and sometimes go to the club house and to Mr. Mangum's.

JUNE BUG.

Lillian, Route 1.
Glad to see some fine weather once more and to see corn and cotton coming up so nicely. Cotton chopping has begun and almost everybody in this community will begin Monday. Almost all of us have a bad stand of corn. Spring oats are looking fine. Clover is very good this time and almost everybody has a little patch ready to cut.

There is more sickness in this community than when I last wrote. Mrs. A. Ferguson has been right sick, having chills and fever. Being somewhat advanced in years, the attack was quite trying. We are pleased to report that she is slowly improving now.

Mrs. Oakley, the lady who makes her home with Mrs. A. Ferguson, happened with a bad accident Saturday night. She was in a buggy with her son and the mule became frightened and started to run. The son told his mother to jump, which she did, but was caught in the wheel and thrown to the ground under the wheels and badly bruised.

Mrs. Sallie Ferguson has been right feeble recently, but is better now.

Mr. and Mrs. H. M. O'Neal and little daughter Maggie have been troubled right much with chills of late, but we are glad to note that they are one and all improving.

One of our neighbors, J. L. King, is very much behind with his work on account of three sick horses.

W. A. and Mrs. O'Neal, of Edgemont, spent last Sunday with Mr. O'Neal's mother, Mrs. Candace O'Neal.

Little Miss Lizzie Peed spent Friday afternoon with Mrs. Sallie Ferguson.

J. E. Ferguson spent Sunday afternoon with A. Ferguson's family.

Mrs. A. D. Ross spent Thursday with her parents, Mr. and Mrs. J. J. King.

J. P. Ferrell has been gone off on a big fishing frolic for several days, but we failed to learn where he fished or how many he caught,

but we suspect he remembers how many all right, for he's a fisher from his heart. J. F.

Rougemont, R. F. D. No. 1.

Mrs. Andrew Riley is right sick. Her many friends hope she will soon be restored to health again.

Miss Pearl Parker is visiting her aunt who lives in Orange County.

Mr. William Malone visited our village Saturday.

Wilmer Cash, little daughter of Mr. William Cash, is very sick. Her parents are anxious about her recovery.

Miss Kathleen Jones is visiting her grandmother, Mrs. Bettie Bowling.

Mr. and Mrs. Stem visited Mrs. Stem's parents, Mr. and Mrs. W. P. Franklin, Saturday and Sunday.

Red Mountain Sunday School continues to grow in interest and numbers.

Protracted meeting is to begin the 2nd Saturday in July at Redmountain Baptist church.

Miss Corinne Bowling left Tuesday to attend Wake Forest commencement. She was met in Durham by her sister, Mrs. James E. Bowling and daughter, who went with her.

The women of Redmountain church are making a beautiful quilt to be sent to a frontier missionary in Texas. The W. M. S. is to pack a box to be sent to him, the 2nd Saturday in June.

Little Bernice Thacker spent several days with his grand parents, Mr. and Mrs. John Rhew.

Miss Emma Rhew visited her sister, Mrs. J. J. Thacker, last week.

Dr. Lyon our popular physician was called in our vicinity very often last week.

Mrs. Allen and Leroy Clement were welcome visitors in our neighborhood Sunday. Their many friends were glad to see them after such long absence.

Mrs. Alex Copley was numbered among the visitors in our vicinity last week.

Quite a crowd of our boys went in seining in Flat River at Dr. E. H. and B. P. Bowling's mill Saturday and caught right many fish.

Poisons His Son.

Dr. D. S. Rowland, a physician of Raleigh, was arrested one day this week charged with poisoning his own son. He was carried to Henderson, where the charge will be investigated.

Since his arrest it developed, according to what is common report, that he is believed to have poisoned his wife some years ago, as she died in the same manner as his son. It is also charged that he was guilty of poisoning an engineer by the name of Strange, whose widow he married three days after her husband died. In the first two cases the motive was said to be to get the insurance, while in the latter case he wanted to marry the wife of Strange.

Mrs. George O'Kelly Dead.

Mrs. George O'Kelly died at her home on Vickers avenue last Monday night, after a lingering illness of several months. Besides a husband she left one child. Before marriage, about three years ago, she was Miss Geneva Brinkley.

The funeral was conducted from the home on Vickers avenue last Tuesday afternoon, after which the remains were interred in Maplewood cemetery. The service was conducted by Rev. G. T. Adams, (pastor of Trinity Methodist church.

Club Organized.

The Cavalier's Club is the name of a new organization for Durham. For some time quiet efforts have been made to have such a club organized in Durham, and now the matters have taken definite shape by the election of the following officers:

President—Julian S. Carr.
Vice President—J. M. Manning.
Secretary—R. H. Sykes.
Treasurer—T. M. Gorman.
Board of managers—J. S. Cobb, J. S. Manning, L. A. Carr, J. H. Mahler, C. A. Owens, A. B. Duke, R. H. Lewis, Jr., W. W. Flowers and P. C. Sneed.

Committee on admission—P. C. Graham, J. P. Taylor, A. E. Lloyd, A. Cobb, W. D. Carmichael, C. M. Carr, R. O. Everett, S. C. Chambers, Thomas C. Worth.

Committee on location—S. C. Brawley, W. W. Flowers and C. M. Carr.

The club now has a membership of seventy-nine members. In the future the admission price, the initiation, will be \$25. The monthly dues will be \$2.50 for

each one. For non-residents the admission will be \$15 and the annual dues \$10.

There is talk that the club will soon have a very fine building and that it will be one of the most modern in the state, being thoroughly equipped in every way as a first-class club. This remains to be worked out, however, by the committee on location and by the club members. It is certain however that Durham is to have a first class commercial club and that it will be in full working order in a very short while.

Norman, 11-month-old child of Mr. and Mrs. George Crabtree, who lives on Yancy street, died last Tuesday night. The burial took place Wednesday afternoon at Maplewood cemetery.

One would not imagine that you could catch an opossum on Main street in the center of Durham, but such was the case one night this week. A hound was not needed as he was caught in a box in a store room.

Panama Canal—Erie Canal.

Machinery is digging the Panama Canal a thousand times quicker than the shovel dug the Erie.
Machinery produces the L. & M. Paint at 50 times less cost for labor than if made by hand.
The L. & M. gives the best job in the world, because L. & M. Zinc hardens L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years.
It only requires 4 gallons of this celebrated Paint and 3 gallons of Linseed Oil at 60c per gallon, to paint a moderate sized house.
If any defect exists in L. & M. Paint, will repaint house for nothing.
