DURHAM, N. C., June 9, 1908

YES, Mr. Fuller received the nomination, but he will not soon get over the scare he received before the nomination came.

ALONG about the first of July watch for county candidates to sprout out and tell you of ability that you knew not of before.

ALL the charges that the railroads and American Tobacco company fighting for and against certain candidates, according to the way matters are going, is simple tommy rot. The indications that railroads and company mentioned are not taking an active part in the campaign.

You know we were glad to have the delegates with us, but would have preferred that they settled the business that brought them here and then their stay would have been much more appreciated and we could have shown them many courtesies without feeling that they would be under obligation to us. Come again, gentlemen, and stay as long as you please.

As is usually the case on such occasions, Trinity commencement caused a large crowd of visitors to come here and our citizens turned out in large numbers that were delivered, and enjoy the occasion with the graduates and friends of the institution that has come to be such a great part of Durham. The commencement just closed was one of the best and shows that the college is in better shape than ever before in every respect.

THE charge that money is being used to further the interest of Mr. Kitchin, (since he got in the lead these charges have been made) are true, and in fact, from outward appearances all the other candidates are doing the same thing. We do not know but have little doubt that Mr. Kitchin will be perfectly willing to publish an itemized statement of campaign expenses with the other two candidates. If such a thing is done Mr. Kitchin will show that he has spent less than either of the other candidates.

Death in Orange.

Mrs. Sharp, wife of Mr. W. J. Sharp, died at their home near Garr, Orange county, Sunday morning, May 31; aged 22 years, of malarial fever. She was born and lived in Bertie county until her marriage about 18 months ago. Her remains were taken back to her old home for burial. The funeral was conducted by the pastor of the White Oak Methodist Church of which she had been a member, and the Church which she loved so well, and the interment was made in the old family burying ground. She is survived by her husband and one child, aged 8 months and 12 days, father and mother, three brothers, and many relatives. Mrs. Sharp was highly esteemed by all who knew her. The Observer extends heartfelt sympathy to the bereaved husband and other relatives.—Orange County Observer.

Hewitt—My wife lost her voice last week. Jewett—What have you done about it? Hewitt—Nothing yet. I needed a week's rest.—Exchange.

BROOKS NOMINATED ON FIRST BALLOT.

After a Long Wrangle Solicitor Brooks Wins out in the Convention.

The following facts regarding the Congressional Convention in Greensboro Wednesday, is culled from the Daily Industrial News, of that city:
Aubrey L. Brooks was nominated for Congress last night by the Democrats of the Fifth district on the first ballot. His majority was .11 of a vote. The convention was probably one of the stormiest ever held in North Carolina.

So bitter is the feeling between the candidates that a motion to make the nomination unanimous was objected to and the motion was never put. Such proceedings are unheard of in either Republican or Democratic politics in this district. A contest between Spencer Blackburn and Spencer B. Adams, in the Republican state convention of 1906, has been held up as a spectacle for bitterness. But in that noted convention the defeated candidate himself moved to make the nomination of the victor unanimous.

The convention was in session from 3 until 10:30 o'clock.

The convention was called to order at twenty minutes past three by C. H. Wilson, of Roxboro, chairman of the congressional committee. The chairman did not make a speech, as he said, plenty of them would be made later, but instead called Dr. E. J. Tucker, of Person county, to the rostrum as temporary chairman of the meeting.

Dr. Tucker spoke very briefly, and then requested the representatives of Democratic newspapers who were present to come forward and act as temporary secretaries. The chair then stated that the next thing in order was the selection of committees on permanent organizations, credentials and platform and resolutions. Their representatives and these retired and constituted themselves into the aforesaid committees.

E. S. Parker, Jr., of Alamance, moved that a roll call of counties he had so as to ascertain whether there were any contests. The roll was called and it was seen that there were contests from two counties—Rockingham and Stokes. About this time a member of the credentials committee appeared and asked the temporary chairman if a person living in one county could make a contest in another county. The chair ruled no on this point.

There was considerable discussion over the report of the credentials committee. After many speeches the majority report was adopted.

It was 7:55 o'clock when the convention adopted the credential committees report, and a motion was made to adjourn for an hour. The motion was defeated.

It was announced by the chairman that the roll of counties would be called for nominations for a candidate for Congress. E. S. Parker, of Alamance, placed in nomination A. L. Brooks, of Guilford.

Mayor O. B. Eaton, of Winston-Salem, nominated J. C. Buxton. Maj. A. W. Graham, of Granville, put the name of B. S. Royster before the convention. R. C. Strudwick nominated J. Allen Holt, and C. H. Michael placed the name of Reuben D. Reade before the convention. C. B. Watson made a short address seconding the nomination of Mr. Buxton. J. A. Barringer seconding the nomination of A. L. Brooks, and T. E. Whitaker delivered a talk seconding the nomination of J. Allen Holt.

The last business transacted by the convention was the election of members of the district executive committee. Each county in the district is entitled to a member and the following

were chosen:
Alamance, Charles A. Scott; Caswell, T. P. Womack; Durham S. C. Brawley; Granville, W. A. Devin; Forsythe, G. H. Hasten; Orange, D. C. Parks; Person, John S. Cunningham; Rockingham, P. D. Watts; Stokes, R. W. Hill; Surry, C. H. Hanes.
A resolution endorsing W. J. Bryan was passed unanimously.

Teachers—Miss Julia Faucette, Mrs. Delos W. Sorrell, Miss Annie E. Koonce, Miss Hattie Owen, Miss Emma Foushee, Miss Annie Brown, Mrs. B. N. Mann, Miss Sallie Thomas.

W. DUKE STATUE UNVEILED

(Continued from first page.)

was quickened on account of the many really great men attending. Dr. Walter H. Page was a guest and Dr. Henry Stiles Bradley was one of the distinguished citizens from afar with Hon. Kope Elias, Mr. Robert L. Durham, Hon. Henry Page and Congressman R. N. Page, Judge W. J. Montgomery and scores of alumni.

THE STATUE UNVEILED.

After the exercises in Craven Hall were over the large crowd mingled with others that had congregated in front of the Duke building and the unveiling of the statue took place.

The speech of presentation was made in behalf of the Trustees by Hon. J. H. Southgate in a few well chosen words.

Dr. Kilgo, in his characteristic style, accepted the statue, and in so doing paid tribute to the man that has made the present Trinity College possible.

Little Mary Washington Staggs had the honor of unveiling the statue, while the multitude watched.

The Centenary Methodist Sunday school of Winston, will run an excursion to Durham June the 18th. Quite a crowd is expected and the Methodist Sunday schools of this place will make a pleasant day for them.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating, and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms are Dr. Pierce's Golden Medical Discovery. This is absolutely true and will be readily proven to your satisfaction if you will but mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing that the most eminent medical men of the age say of them.
