NUMBER 7.

REPUBLICANS IN CONVENTION

A Full Ticket Named Without Dissentions.

BRAMHAM AND BRIGGS MADE SPEECHES

Bramham, Warren, Redmond, Carpenter, and Bowling the Leaders With Commissioners and Constable.

As has been said for two weeks or more the Republicans of Durham county met at the court house last Saturday and named a full ticket without dissention.

In fact the nominations were so smooth that it appeared to be a cut and dried affair, although only two of the candidates had been mentioned previous to the convention. Only one nomination required a ballot and that was for township constable.

The full ticket named was as follows:

Legislature—W. G. Bramham.
Sheriff—J. B. Warren.
Register of Deeds—W. T. Redmond.

Treasurer—J. W. Carpenter.
Coroner—Dr. E. H. Bowling.
County Commissioners—T. J. Rigsbee, W. T. Neal, O. M. Perry, B. P. Bowling, and James M. Shepherd.

Magistrates—W. T. Burges, T. A. Robbins, W. E. Dunnegan, John Cannady, W. G. Vickers, J. Y. Reade, G. Ed. Cole, and T. B. Tally.

Messrs. J. C. Angier, J. A. Giles and James E. Lyon were appointed to draft suitable resolutions and they reported as follows:

"We, the republicans of Durham county in convention assembled commend the wisdom of the national convention and congratulate the people of the United States on the nomination of William H. Taft for the presidency of the United States, and we endorse the principals and policies of the republican party enunciated in its platform, and the administration of Theodore Roosevelt.

"We heartily endorse the platform adopted and the splendid ticket nominated by the republican state convention at Charlotte and commend both to the voters of Durham county.

"We especially commend to the consideration of the voters of Durham county the following planks in the republican state platform and pledge to the people our best efforts in bringing about these reforms for Durham county.

"We favor, as we have ever favored, local self government, and demand the right to elect by direct vote of the people all members of the county board of education and county superintendents of public instruction.

"We favor the exemption from taxation of two hundred dollars worth of personal property owned by each householder in the state of North Carolina.

"We favor restricting immigration rigidly, admitting none but the better class to our shores, and protecting the American labor against foreign cheap labor.

"We favor retrenchment and reform in the conduct of the affairs of our county, and we condemn the democratic administration for borrowing large sums of money on the credit of the county, thereby placing a large debt on the taxpayers, when the revenues from taxation are ample to properly conduct the affairs of the county if economically administered."

These resolutions were adopted unanimously. Speeches were

COUNTY SCHOOLS IN GOOD SHAPE.

Increase of 25 Per Cent In Value of School Property During Vacation.

Superintendent Massey is at work on his annual report of the condition of the public schools of the county and many interesting figures will soon be made public that will show the healthy condition of our splendid county school system, the result of years of hard work on the part of Professor Massey and the school board.

During the vacation just closing the value of school buildings and equipment have been increased about 25 per cent, this includes the erection of three new high school buildings, repairs and furnishings for the new ones and other schools.

Another increase in the better equipment of the schools is shown by the fact that four districts have voted a special tax during the year and the increase of income for the school fund by this special tax will amount to about \$2,000. The districts that voted this special tax are as follows: Bahama, Glenn's, Lakewood and Redwood.

The increase in value of school property and the corresponding increase in attendance that is reported, should cause Durham county, that now is recognized as having the best rural schools in the State, to feel proud.

HACKNEY BROS. DRUG STORE SOLD.

W. A. Mabry Buys this Popular Store and Takes Charge at Once.

It was a great surprise to many that Hackney Bros. drug store had been sold last week. The price paid is said to be in the neighborhood of \$10,000.

The deal was completed Saturday afternoon and Mr. Mabry took charge about 6:30 o'clock. The sale included all the stock and fixtures and Mr. Hackney reserved the accounts.

Mr. H. P. Hackney, the proprietor of this business, has been in Durham practically all his life and for 18 years has been in the drug business, rising from clerk to proprietor of the store.

Mr. Mabry has been identified with the drug business in Durham for many years and has many friends here that will wish him well in his venture. He will have charge of the prescription department and the same force that have been with Mr. Hackney will assist Mr. Mabry.

As yet Mr. Hackney has not decided what he will engage in, but has been for some time thinking of locating in the west. However, he will remain in Durham for some months.

Julie B. Warren, who has held a position on the Morning Herald for many years, goes to Gastonia to teach school the last of this month. Mr. Warren is a graduate of Trinity in the class of 1908 and is well equipped for the position he now assumes—principal of the school at Gastonia.

In this issue will be found a new ad of H. Steinmetz, of Raleigh, who has something to say that will interest all. Read what he says and write him for prices of bulbs, cut flowers, etc.

made by Messrs. W. G. Bramham and W. G. Briggs. Mr. Bramham is the candidate for the legislature from this county and Mr. Briggs is candidate of the fourth district for Congress. Both speeches were full of Republican doctrine and predictions and were well received.

After these the convention adjourned.
