SEMI-WEEKLY.

VOLUME 90.

DURHAM, N. C., OCTOBER 16, 1908.

NUMBER 46.

TWO MARRIAGES WEDNESDAY.

Durham Furnishes Two Brides and One Groom.

Two marriage ceremonies were performed in the city Wednesday in which Durham people were interested.

Miss Nora A. Adams was united in marriage to Mr. A. O. Walker at the home of W. A. Maddy on Walker street, Wednesday evening at 8 o'clock by Rev. J. W. Downey, pastor of the East Durham Baptist church. They left for Greensboro, where they will make their home.

Wednesday afternoon at Duke's Chapel, Miss Carrie Roberson was united in marriage to Mr. H. L. Langley, of Savannah, Ga. The ceremony was performed by Rev. G. W. Fisher in the presence of a number of friends and relatives of the bride and groom.

The bride's uncle, Mr. John Thompson gave her away and Miss Ida Thompson, was maid of honor, and Mr. M. T. Langley, of this city, a brother of the groom, was best man. One of the pretty features of the marriage was little Miss Eddie Thompson, two and a half years old, who bore the ring to the altar and the flower girl was Miss May Thompson. The ushers were Messrs. J. C. Garrard, Eugene Thompson, T. W. Roberson and B. W. Elliott.

The young groom is a business man of Savannah and that means that he will take his bride to his new home. His brother, M. T. Langley, is manager of the Cable company's piano house here and both are excellent young men, as the bride is a splendid young woman.

Miss Margaret Walker, of Rougemont, was united in marriage to Mr. Custer Weaver by Squire Morton Tuesday of this week. The young people came here and decided that they would set aside the objections of their parents by becoming husband and wife. The marriage was quite a surprise to their friends in the northern part of the county.

Notes From Route 5, Durham.

The thermometer registered 31 degrees here this morning.

Last week a family of South American Indians passed here on their way to Raleigh. They were from Buenos Ayers, Argentine Republic. They are of a smaller race than the North American Indians that I have seen.

A little girl was born to Mr. and Mrs. Ed. Morris Monday morning.

A good many from this section took in the Raleigh fair this week.

Sam Couch and part of his family spent Monday in Durham.

Ben Hester and family spent Sunday at the home of C. L. Latta in Lebanon township.

Am glad to say that there is no sickness in this section at present.

Sorry to hear that night riders are getting a footing in North Carolina as I believe their policy is all to the bad. For instance, take some poor fellow that has mortgaged his crop; the mortgage comes along and tells him he must sell or he will; the night riders come along and tells him if he does sell they will burn him out, and the only choice he has is bad.

B. F. H.

District Attorney A. E. Holton, a brother of our townsman, S. M. Holton, spoke to a large audience at the court house last night. His speech was principally on the attitude of the Republican party towards labor.

WORK OF PICKPOCKETS.

Persons "Touched" at the Union Station Here.

Pickpockets got in their work at the union station, in this city, Thursday morning, and so far as reported, three persons were "touched" by the light-fingered professionals. The robberies occurred in the rush incident to leaving for the State Fair.

The first robbery of this kind occurred early in the morning just before the first special train left for Raleigh. Mr. James T. Cates, the famous deer hunter and one of best known citizens of Person county, was here on his way to the fair, and was accompanied by several ladies. He got into the crowd in front of the ticket window, and on calling for his ticket, discovered that his purse was gone. Just a few moments before this he had it in his pants pocket. In the purse was between \$35 and \$40 in money and more than \$100 worth of valuable papers. The matter was reported to the police, but so far there is no clue as to who got the money. Mr. Cates was compelled to borrow enough money from Mr. H. A. Reams to continue his trip.

The second pocket picking was a little later, Mr. Jack Barbee, of Patterson township, being the victim. Just as Mr. Barbee was getting on the train he was relieved of his purse, containing a \$10 gold piece, \$5.50 in silver and check for \$6, a total of \$21.50. Later a lady, whose name could not be ascertained was robbed of her gold watch in the rush to the train.

MAJOR MURPHY'S ADDRESS.

Large Crowd Hear Democratic Elector at Court House.

A large crowd heard Hon. Walter Murphy at the court house last Tuesday night and the speech was all that friends of the speaker had led people to believe they would hear. The court house was full to overflowing and the people that went out to hear him remained to hear all that he had to say.

Mr. Murphy is one of the best speakers out in the campaign and his crowd was with him from the first to the last. His voice was a little husky, but he soon overcame that and was at his best. His speech was an exhaustive argument of the tariff and his explanation and the showing of the question was simplified so that all present had clearer understanding of the great question.

BRAMHAM AT EAST DURHAM.

During the same hour the Republican forces had gathered at East Durham to hear Mr. W. G. Bramham, candidate for the legislature. A large and enthusiastic crowd greeted Mr. Bramham in East Durham and he spoke to them in open air. The crowd was enthusiastic and cheered the speaker throughout his discourse.

The taxes to be collected for the six special school districts are as follows:

Bahama school district, \$560.96. Redwood, \$593.48. Glenn, \$534.42. Proctor, \$395.61. East Durham, \$2,067.12. West Durham, \$2,932.52.

RESOLUTIONS.

Upon the Departure of Rev. J. D. Bowen From Redmountain Church.

Inasmuch as our pastor, Rev. J. D. Bowen, feels called to other work and has resigned the pastorate of Redmountain Baptist church, we hereby wish to express our sincere appreciation of the valiant services rendered us during the last two years, and our hearts feel sorrow at his departure. He has won the hearts and confidence of our people and has impressed us as a godly man, enthusiastic in all things to make men better and thereby build up the kingdom of our God.

We hate for him to leave us, but can console ourselves with the assurance that the work he has done is not ended; only eternity will unfold all that has been accomplished and started in the hearts of our people by the Holy Spirit through Brother Bowen.

We heartily commend him to his new pastorate followed by the prayers of Redmountain church. The Father of love and tenderness may ever watch over and guide him in all of his undertakings.

Resolved, that a copy of the above be sent to the Durham Recorder of Durham and the Biblical Recorder, of Raleigh, for publication.

Iron Works Sold Yesterday.

The sale of the Durham iron works yesterday closed an interesting receivership matter and Mr. W. R. Kuker, of Florence, South Carolina, again becomes the owner.

Mr. Kuker once held a large block of stock in the business and sold it in part to Mr. H. N. Snow. It was upon that sale that the revival of the suit in which Mr. Kuker received a verdict against Mr. Snow that a new aspect of the case was presented last week. The business is one in which Mr. Kuker has faith and yesterday his brother, J. T. Kuker, put up the required \$6,050 for it and took the stock over.

The sale must be confirmed, of course, but the liabilities are not in excess of \$9,000 and the price brought is regarded as very fair.

Beats the Record.

Thursday 17763 tickets were sold from Durham to Raleigh and return, on account of the State Fair. During the week, including today, more than 2,600 tickets were sold from here; which beats the record. A year ago the high water mark of 2,600 were sold, but this year's record goes that a little bit better.

Raleigh, Oct. 14.—At the annual meeting of the North Carolina Confederate Veterans' Association Maj. William A. Graham was elected president, succeeding Gen. Julian S. Carr. Capt. Samuel A. Ashe was made secretary. Resolutions regarding the death of Comrade Peter E. Hines, of Raleigh, were read by Richard H. Battle, and resolutions on the death of F. H. Busbee by Col Thomas S. Kenan. The condition of the Soldiers' Home was reported by A. B. Stronach, of the board of managers, to be excellent. The question of securing a larger pension for soldiers above 80 years of age came up and a report was made by Sergeant W. H. Hamilton, of Wake, chairman of the State executive committee of the pension association. He declared the Legislature ought to be memorialized to increase the pension for this class and said it was now or never.

Mrs. Evans has been an inmate of the home for about 14 years and while she was partially demented she never gave the guard any trouble.

Negro Has Miraculous Escape.

Winston-Salem, Oct. 14.—A negro man whose name was not learned had a miraculous escape from death by being run over by switch engine at the station this morning. The man, considerably the worse for liquor, stumbled and fell on the track as the engine bore down upon him at a pretty good rate of speed. The cross beam in front of the engine caught him and slid him around and off the track. Beyond a shaking up he was uninjured. He got up, sobered somewhat by his peril, and shambled away.
