WOOLEN MEN INSISTENT

President of National Association of Wool Manufacturers in Washington Urge That Regulations Which Have Aroused Storm

of Protest Be Gone Into.

Washington, Oct. 19 .- Mr. William Whitman, of Boston, president of the National Association of Wool Judson, president of the University Manufacturers, is in Washington and has called to see Mr. James F. Curtis, assistant secretary of the treasury, and discussed with him the United States coesular regulation afcially invited guests, members of the feeting textile importations, which has aroused such a storm of protest among European textile manufacmorning; on all other occasions the turers. Mr. Curtis is engaged in the task of studying the textile question with a view to meeting these ob-

Mr. Whitman, as a representative of the American textile manufacturers, told Mr. Curtis that while he thought the consular regulations of the United States should be strict enough to prevent undervaluations and other customs frauds he was not in favor of hampering the foreign

manufacturer.

He called attention to the fact that American textile importations from France and England amount to about \$50,000,000 a year, and therefore are entirely too extensive to be lightly treated. He was not in favor, however, of any radical change in the new regulation, but believes the matter can be satisfactorily adjusted ent requirements with reference to the samples

Mr. Franklin MacVeagh, secretary of the treasury, will return to Washington about the end of the week. gates from the other institutions, the He will take up this question again with Mr. Curtis and early action is

expected. Mr. Whitman also called on Mr. veit, but held President Taft in high esteem, and would do everything he could to make Mr. Taft's tariff board

It is not Mr. Whitman's impression, however, that the board will be ready to recommend any radical changes in schedule "K" of the tariff bill within the next year. During the hearing before the committees of the house and senate on the Payne-Aldrich bill Mr. Whitman appeared prominently in connection with the woolen schedule.
