NORS RENACE PLANS SELECTED ON WOOL TARIFF LIST INCREASES LOWERING FLAG

So Says Judge Gary to Steel Trust P. T. Marye, Atlanta, and F. B. Underwood Leads Investigators

And Says It Might be Wielded for Either Good or Evil-Claims Roosevelt's Basetion of the Absorption of Tennessee Cost and Iron Company Was "Constructive Statesmanship."

Washington, June 8 .- Admitting the great financial power of J. Pierpont organ, and that it might be wielded for either good or evil; declaring again for government control of large quiescence in the merger of the Teuneaste Coal and Iron company as nstructive statesmanship," Judge Elbert H. Gary, executive head of the United States Steel corporation, resumed his testimony before the house

Representative Martin Littleton drew from Judge Gary the admission that a combination of banking and interests is more serious than all other combinations combined. This nection with Mr. Littleton's observation that reports were that J. Pierpont Morgan controlled all of the largest banks in New York. Judge Gary said he did not believe this, but e frankly admitted the menace of a

You know the power of Mr. Morgan nd other men of similar wealth as said the head of the o-called steel trust.

Probing the absorption of the Ten-nessee Coal and Iron company by the United States steel corporation during the panic of 1907, the committee ed surprised to hear Judge Gary

"You mean it was constructive for the United States steel corporation," aggregated Mr. Littleton, satirically. "No. I don't think so," answered

oth destructive and constructive," said Chairman Stanley. "It was destructive of the law, and it was constructive of the steel trust," Judge Gary disagreed, and said that

he did not think that the law had been olated when the president, after the emorable white hove conference, and told Mr. Gary and Mr. Frick to to ahead with the merger, and the

mediately telephoned to New York.

The committee pinned he witness
down to an admission that the Tennessee Coal and Iron company and those holding its securities night have "pulled through" with a loan of securi-ties by the gigantic United States steel Instead, Judge Gary it the trade had finally been made whereby the securities of the United States steel had been exchanged for hose of the Tennessee company and be banks holding the latter securities, who had been calling "take on nessee, take out Tennessee,"

Simpson, Raleigh, Architects

Raleigh, June 8 .- The plans ten ered by P. Thornton Marye, of Atanta, with Frank B. Simpson, Raleigh, as associate architect, have been selected by the state building ommission for the \$250,000 fireproof administration building to be rected on the south side of capital square and extending from Fayette ville to Salisbury streets. The plans are for a five story structure, the first story of granite and the upper stories of Bedford limestone with terricota trimmings. The style of architecture is Grecian, to harmonize

The closest competitor in the contest for the plans was Hook and Rogers Charlotte. The commissioners, six members present were tied one while, three and three, as between the plans of the two - architects. Marye and Simpson are to have the plans in detail completed ready for listribution to contractors for bids within 60 daystand the purpose is to get the building under way by the

The subcommission is to meet a the call of Chairman Horne, prob steel investigating committee yester- abiy within the next two weeks, to onfer further with the architects. Later the commission will open a

Cherries Free to All Comers.

San Leandro, Cal., June 8,-Thou are ready for free distribution to all visitors to the annual San Leandro schedule to write a tariff bill." cherry carnival, which is to open tonorrow and continue over Saturday, is addition to the giving away of the fruit there will be numerous other catures to attract visitors, and it is expected a record-breaking crowd will be on hand during the two days' festivities. An illumination of the city and a grand ball will usher in the carnival tomorrow night. The king crowned Saturday morning, and the remainder of the day and evening will be given over to floral parades and mardi gras revels.

AN EXECUTION IN SUIT FOR LARGE SUM.

Wilmington, June 8,-Property Mr. William E. Worth, a leading citien of this city, was seized yesterday inder execution issued from the Tolled States court to satisfy judgment for \$30,000 obtained at the recent term of federal court here by the company having failed to meet the re Knickerbocker Trust company of New quirements at the time of the last in York. This is the amount alleged to spection, made last Pebruary. M. M. be due by Mr. Worth under a contract he due by Mr. Worth under a contract which he signed for stock in the Rockagham Power company, which failed and which was financed by the trust pmpany.

After paying about \$9,000 of his bacription Mr. Worth refused to pay remainder, alleging fraud as the on. When the case was heard a weeks ago Judge Connor held that element of fraud did not enter the and ordered a verdict in favor Greensboro. This afternoon at its of the plaintiff for the amount sought Execution was issued and Deputy trest in another piece and stocks and beads belonging to Mr. Worth. The property will be advertised and sold unless Mr. Worth gives the necessary bend staying the proceedings pending artion in the circuit court of appeals.

ABINES STATE BUILDING BITTER DEBATE IDUAKE DEATH YEAR CLOSES IN WOMAN TELLS

mony at Sunset Yesterday

The Fight More Bitter Characterized Auy Former Discussion During Special Session-Mr. Payne Leads Fight Against Revision of the Wool Schedule.

Washington, June 8.-Bitterness of olitical debate such as has not charopped out in the debate in the be ginning of the wool tariff discussion in the house yesterday. Democratic ways and means committee, devoted the afternoon to an explanation of the proposed revision of the wool tariff, and to an attack upon the Payne tariff law and the republican party. He was met at almost every stage

f his argument by replies from nking republican on the ways and ents and his arguments. Mr. Payne vigorously the democratic that the Payne law had not fulfilled republican promises of tariff revision; and he criticised in detail Mr. Underwood's statements that the untry's revenue was declining and e treasury approaching a deficit.

Mr. Payne will lead the oppositio the demovestic bill. No limit has en set to the debate, and notwithstanding Mr. Underwood's hope that it can be concluded in a week, it is spected to last well into, if not through, the second week.

Mr. Underwood declared that narican Woolen company had die gress in wool tariff.

who does not know that the American coolen company today fixes the lictated to a republican house, when nasters is based upon an increase of dictated to a republican house, when racks exorbitant rates under Schedule K, in the last congress."

Paying his respects to the presen tariff board, Mr. Underwood said that "If that body went on for ten years, sands of boxes of luncious cherries as it is going at present, we wouldn't get enough information on the wool

> While not questioning "the sin crity or honesty of purpose" of Presilent Taft, Mr. Underwood said he was ouvlnced that "either the board resed to give up facts we called for, lise the board has wasted a quarter of a million dollars in its work."

Groom of Two Weeks Suicides. Charlotte.—With the unexpected declaration to his bride of two weeks that she did not love him as much as she did when they were married, William P. Ewart, 21 years old, elzed a pistol as he returned from burch Sunday night, and put a bul let through his brain, dying instant-

The tragedy occurred in the cot tage of the young couple in Severs widow, was apparently without premeditation or cause. Thinking husband's remark a jest, the wife made a flippant reply and the rash act followed almost as an echo to her words. Both were popular, and the tragedy created a profound sensation.

Being Made to Give Scout Party an Enthusiastic Reception When It Reaches Durham.

Preparations are being made to give the central highway scout party an enthusiastic reception when they arrive here on their trip from the west to Raleigh.

The party is spending this week in the Land of the Sky, mapping out a route through this section and arousing enthusiasm for the building of roads. The start was made from the Monday of this week. The party arrived at Asheville Tuesday, where they were given an enthusiastic reception, and the trip is now being made to Statesville.

From Statesville the run will be nade to Durham and Raleigh. The exact date of the arrival of the party in Durham has not been determined as yet, but it will be about the 20th. A schedule will be mapped out, when the party arrives at Statesville, for the run to Durham, and this will be announced later. It is very prob-able that several from Durham wirl go to Statesville to accompany the

The highway through North Caroina is only a part of a grand central highway from the Atlantic to the Pacific coast. A campaign, similar to the one that is now being conlucted in North Carolina, is conducted in a number of other states to the west, and a large part of this extended highway has airendy
