MOFFAT'S LIFE PILLS & PINKETTS BITTERS.
for sale at the Post Office at Lumberton by JOHN N. DORR, Agent, &c., &c.

These Medicines are indicated for their name to their many and valuable effects in purifying the springs and channels of life, and ending them with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable, the happy effects of MOFFAT'S LIFE PILLS AND PINKETTS BITTERS have been gratefully and publicly acknowledged by the persons benefited, and who were previously unacquainted with the beautiful philosophical principles upon which they are compounded, and upon which they exert their salutary action.
The LIFE MEDICINES command themselves in diseases of every form and description. Their first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling around them; and to remove them by the action of the bowels, and the evacuation of the smallest intestines. Other medicines only partially cleanse these, and leave such collected masses behind as produce habitual constiveness, with all its train of evils, or sudden diarrhoea, with its attendant dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of those well informed men against quack medicines—or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and the urinary organs, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs to fore it passes into the heart, being thus purified by them, and nourished by food coming from a clear stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.
MOFFAT'S LIFE MEDICINES have been thoroughly tested, and pronounced a sovereign remedy for the Dyspepsia, Flatulency, Palpitation of Heart, Loss of Appetite, Heart-burn and Head-ache, Restlessness, Ill-temper, Anxiety, Langour and Melancholy, Costiveness, Diarrhoea, Cholera, Fever of all kinds, Rheumatism, Gout, Dropsics of all kinds, Gravel, Strains, Asthma and Consumption, Scurvy, Ulcers, Invertebral Sore, Scorbatic Eruption and Bad Complexion, Eruptive Complaints, Sallow Cloudy, and other disagreeable Complexions, Salt Rheum, Erysipelas, Common Colds and Influenza, and various other complaints which afflict the human frame. In Fever and Ague, particularly, the Life Medicines have most eminently successful; so much so that in the Fever and Ague districts, Physicians almost universally prescribe them.
