## CONSUMPTION AND LIVER COMPLAINT.

### DR. TAYLOR'S

BALM OF LIVERWORT.

375, Bowery, New York.

Cure of coughs, colds, catarrhs, asthma, &c. of the chest, pain in the side and breast, bleeding blood, liver-complaints, bronchitis, and all affections of the throat and lungs, which are a source of much suffering, and unattended, terminate in consumption, this remedy is highly and judiciously selected. It is pure, palatable, and does not excite upon the system, as many of the other remedies of this class, as well as its efficacy. So extensively has it been used, and so often proved successful, even in difficult and apparently almost hopeless cases, that the proprietor feels no hesitancy in recommending it to any and all who unfortunately may have occasion to resort to some means of recovery. Physicians familiar with its effects prescribe it in their practice, and with the medical faculty generally it has met with uncommon approbation.

The following remarks were taken from a recent number of the Medical Magazine:

"The surprising effect produced by the genuine Dr. Taylor's Balm of Liverwort, made at 375, Bowery, in consumptive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us lately by Capt. Scott, of Elizabeth City, N. C.: "Being constitutionally predisposed to consumption (a number of my family having died of this disease) and having suffered severely from irritation of the lungs, accompanied by coughs and raising matter and blood, together with a pain in my side and breast, I was supposed to be beyond recovery, I was induced by advice of Dr. Jenkins, as a last resort, to try Taylor's Balm of Liverwort; I have taken 5 bottles in all. I began to improve after the first bottle, and while taking the third, was so far recovered as to be able to get about—since which time I am quite restored, and able to attend to my business. To persons suffering from coughs and affections of the lungs, I can earnestly recommend it. (Dated) Elizabeth City, Dec. 16, 1842, (signed) Jas. C. Scott."

Liver Complaint and General Debility.—I do consider my cure almost miraculous. I was given up by two physicians and told to prepare for death. I was so weak I could not raise my hand to my head. I was in bed for a long time, and a friend sent me a bottle of Dr. Taylor's Balm of Liverwort, from 375, Bowery, and before I had used up the bottle I was able to sit up in bed, by the further use I have completely regained my health. All should use it. GEO. WELLS, 23 John st.

Violent Pain in the Side.—I have been cured of a violent pain in the side, extending through the shoulder, indigestion, dizziness, loss of appetite, and general debility, by the use of two bottles of Dr. Taylor's Balm of Liverwort, from 375 Bowery.

J. F. H. ALLEN, No. 7 Merchant's Row. For sale at the Drug Store of Jas. A. MacRae, Person at, sole Agent for Fayetteville and vicinity. March 4, 1843.—210-1y.

## TO ALL THE WORLD WHO USE LEATHER IN ANY FORM.

OIL OF TANNIN.

Or, Leather Restorer; a new Chemical Discovery.

Most people know that skins and hides are converted into leather by the use of Tannin extracted from certain barks, &c.

When the force and strength of the Tannin is worn out, leather becomes dead, hard, dry, brittle, cracked, covered with a crust, fly, or blister—more the Tannin. This substance the leather never can receive second time. But the whole virtues of it are in this article, the Oil of Tannin, which penetrates the stiffest and hardest leather, so that it has been twenty years in use; and if it tears easily with the fingers, it imparts at once a strength that is utterly incredible to the mind. It becomes like new leather in all respects, with a delightful softness and polish, and makes all leather completely impervious to water—particularly boots, shoes, carriage-tops, harness, hose, trunks, and in fact all things made of leather, giving a splendid polish, even higher than new leather has, and at least doubling its durability, in whatever manner the leather is used.—These are facts.

Those who will may wear old shoes, grown with corns, ride with old carriage-tops, look old and shabby, and throw them away half used, lose filthy themselves, and all about them, expend double what is necessary for articles of better quality, to their regret, content, for what we care, if their prejudices are so strong they will not try a new discovery. We have no favors to ask of them, they are the greatest sufferers, and we beg for nobody's custom or patronage.

Now, gentlemen, please yourselves. Note—None genuine unless with the simple signature of COMSTOCK & CO. Wholesale Druggists, 71 Maiden Lane, New York.

Entered according to act of Congress, in the year 1842, by Comstock & Co., in the Clerk's office of the District of the United States for the Southern District of New York.

For sale at the Drug Store of JAS. A. MACRAE, Person street, sole Agent for Fayetteville and vicinity. March 4, 1843.—210-1y.
