DODD, NEW GOODS. CONSUMPTION AND LIVER COMPLAINT DR. TAYLOR'S BALSAM OF LIVERWORT.

(From 375, Bowery, New York.)

OR the cure of coughs, colds, catarrhs, asthmas sorrows of the che-t, pain in the side and breast, raising blood, liver-complaints, bronchitis, and all affections of the throat and lungs, which are a source of so much suffering, and unarrested terminate in Consumption, this remedy is highly and justly distinguished. It is purely vegetable, mild justly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety, as well as ntrity. So extensively has it been used, and energy proved successful, even in difficult and apparently donost inopeiess cases, that the proprieter feels no hesitancy in recommending it to any and all who unforcimately may have occasion to resort to some meant of recovery. Physicians familiar with its effects prescribe it in their practice, and with the medical faculty generally it has met with

with the methed facility generally it has met with appearance approbation.

The following remarks were taken from a recent number of the Medical Magazine:

"The surprising effect produced by the genume Dr. Taylor's Bassam of Liverwort, made at 375,

Bowery, in consumptive cases, cannot fail exciting a deep and thriffing interest throughout the world. We have so long believed this disease incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health.

Yet it is a fact of daily occurrence." The following on thinate was given us lately by Capt. Scott, of Elizabeth city, N. C.; "Being constitutionally and the constitutionally and the constitutional constitutional constitution and the constitution of the constitutio stitutionally predisposed to consumption (a number of my family having died of this disease) and hav-ing suffered severely from irritation of the lungs, apanied by coughs and raising matter and blood, tog ther with a pain in my side and breast, till I was supposed to be beyond recovery, I was infueed by advice of Dr. Jerkins, as a last resent, to try Taylor's Belsam of Liverwot; I have taken 5 bottles mail. I began to improve after the first battle, and while taking the third, was so far recovered as to be able to get about - since which time I am quite restored, and able to attend to my businees. To persons suffering from conglus and affec-tions of the lunes, I can carnestly recommend it. (Dated) Eliz-beth City, Dec. 16, 1842, (signed) las. C. Scon."

Liver Complaint and General Debility-I do consider my cure almost mirrordons. I was given up by two physicians and told to prepare for death. 1 was so weak I could not raise toy hand to my head I was in this low state when a friend sent me a bottle of Dr. Taylor's Balsam of Laverwort, from 375, Bowery, and before I had used up the bottle I was able to st up in bed, by the further use I have completely regained my health. All should use it.

GEO. WELLS, 23 John st. Violent Pain in the Side—I have been cured o a violent pain in the side, extending through to the shoulder, indigestion, dizziness, loss of appetite, and general dehality, by the use of two bottles of Dr. Taylor's Balsam of Liverwort, from 375 Bowery.
