IMPORTANT TO MILL OWNERS. HOTCHKISS'

Vertical Water Wheel. THE Subscribers having witnessed the successful operation of these wheels, were induced to purchas the right of using them in the state of North Carolina; and they now offer for sale individual rights, at FIFTY dollars, or rights for a whole

county, on reasonable terms. Pesides being generally adopted in the Northern States, these wheels are coming into general use ia the southern States. We have sold about 100 Rights, 30 of which are in successful operation in

Cumberland county. These wheels are more durable, and more ensity kept in order when properly put together than the flatter wheel. They will save one-third of the water, and run will in back water, when there is a head above. The speed of the saw is increased to more than double the strokes per minute.

We refer, am ng others, to the following gentlemen, some of whom have had the wheels in operation 12 months or more; and from many of them, and othe s, we have received certificates expressing heir high approbation of the superior advantage their saws will cut 2500, 3000, 3500, and even as high as 5000 teet per day, and save one-third of LENGIR.

ness oversprends ber face-her hend falls back

I thought of these things as I wandered with a party of egreenble friends along a retired country road, which would its way among gentle andulations occasionally shaded by rich cool forests. Here was a contrast with the hab-bub of the town. We stopped upon the old boards of a rough bridge (just such a romantic offuir in the theatre prepares you for some wonderful event or other) to admire the scenery-look into the brock-watch the fishes - and the turn of the shiping water as it fell over a little bed of stones. At this crisis, a great green bull-frog, whether from vanity-for to say the truth, he was a fine, plump, onfriendly fates, sporting with frogs as well as men, had led him to the identical epot of all the winding stream towards which our several assert; but it is very certain that such no inpressive of an idea that he had got into a very confortable situation. Whether he was young and enthusiastic, and like ourselves, had come out to enjoy the beauties of nature, or whether he was an old and experienced member of the community, .r. as the newspapers express it, "an aged and respectable citizen," silently meditating upon the affairs of his watery world, we had no method of ascertaining. Many litt's stones, however, were thrown down at him, with various degrees of skill and success, one of which, I regret to state, bit him on the head, whereat he discove ed evident

Black-berries grew in abundance by the road-side, which we were not particularly as the bi de which sometimes flitted across our path, we wastered as fancy led over these obscure and quiet country village, you receive summer scenes to the bay, through the bay, through the a cods, over fences, and down valleys; breaki . I the sileuce of the green forest, and startling its timid and various inhabitants with the unaccustomed sounds of

the thronged streets, and like a drop in the on these occasions; we are surrounded by sea, are melted into the general mass, where so many innumerable objects which attract much care is requisite to preserve your neck the eye and captivate the imagination. The and your pocket book, two articles, which to a bargain-d-ising, calculating, slavish variet. man of business as society is constructed, whose life is tritteed away in the parrow are of about equal importance. Nature is haunts of a great city in petty schemes to exoo, St. Croix rum and sugar; fashionable ality, continually b cake upon your enamoused hat-store; commissioner to take the acknow- lancy. It is not like the efforts of other writedgement of deeds; John Thompson, shoe - er-, merely organiented with happy allusious maker; Obadish Todd, counsellor-at law; to the scenes which he would delineate, but and crowds of Presbyterians and Episcopal- the scenes themselves seem rising around ians, Adams-men and Jackson-men, pouring vou-hot faintly drawn-not dimly coloredalong like the tide of the pure and playful not caught by glimpses in pieces and again brook, above whose once music breathing lost-bot in all the rich, wild, vivid, delicious channel their shoffling footsteps fall. If we profesion of nature herself. Other poets recould know their history! Yonder is a noble call nature, but nature herself brings back to looking gentleman. With what stateliness the recollection the impressive and wonderful he moves along! I should esteem him a poet pictures of Shak-pears. I scarcely ever wan--an immortal poet. His eye is full of the der through a wood without remembe ing

fellow who lives by gambling. He has no more idea of poetry than his dog, and would betray his best friend for five dollars. But significant, shabby man at your right. Your lay sleeping on his back; about his need the is one of the most gifted of men. The Who with her head, nimble in threats, approach'd He is one of the most gifted of men. The philosopher—the orstor—the writer. He has in him the wonderful power to wake in you the highest feelings. He sheds a flood of light upon every subject which be touches—be could thrill you with his fervid and glowing eloquence, and force every chord of your soul to vibrate; and when he would speak, multi-tudes of the learned and great and beautiful flock to listen. Youder is a crowd pressing. And teend it was his brother.

A Sporten mother, after the first news of a committed a crime. She has been ground down by poverty-perhaps, by hunger, and battle, went out of the cay to ebtain more inher sacrilegious hand has anatched something telligence. A messenger came and informed
