

The North Carolinian.

"CHARACTER IS AS IMPORTANT TO STATES AS IT IS TO INDIVIDUALS; AND THE GLORY OF THE STATE IS THE COMMON PROPERTY OF ITS CITIZENS."

BY WM H BAYNE

FAYETTEVILLE, SATURDAY, NOVEMBER 14, 1846.

[Volume 7—Number 404]

IMPORTANT TO MILL OWNERS. HOTCHKISS' Vertical Water Wheel.

The Subscribers having witnessed the successful operation of these wheels, were induced to purchase the right of using them in the State of North Carolina, and they now offer for sale individual rights, at FIFTY dollars, or rights for a whole county, on reasonable terms.

Besides being generally adopted in the Northern States, these wheels are coming into general use in the Southern States. We have sold about 100 wheels, 30 of which are in successful operation in Cumberland county.

These wheels are more durable, and more easily kept in order when properly put together than the flatter wheel. They will save one-third of the water, and run with less wear, when there is a head above, than the flatter wheel. The speed of the saw is increased to more than double the strokes per minute.

We refer, among others, to the following gentlemen, some of whom have had the wheels in operation 12 months or more, and from many of them, and others, we have received certificates expressing their high approval of the superior advantages of these over the flatter wheel, and stating that their saws will cut 2500, 3000, 3500, and even as high as 5000 feet per day, and save one-third of the water.

CONSUMPTION CURED!!

HOMOEOPATHY AND ALLOPATHY HAPPLY COMBINED.—Consumption can be cured as words that for years have solely been applied to Dr. Taylor's Genuine Balsam of Liverwort from 375 Bowers, to which invaluable medicine they are particularly applicable, but have been copied and used by others.

Dr. Taylor's Balsam of Liverwort has cured and relieved over 40,000 persons of Consumption, Liver Complaint, Coughs, Spitting of Blood, Colic, Dyspepsia, Pleurisy, Palpitation, Bronchitis, for which complaints, when taken in time, this medicine has for years proved a specific.

We believe that no one should die of these diseases, and if those who think their lives worth preserving would at once use this remedy according to directions, the report of deaths from these diseases would rapidly be diminished. Of the truth of this position we are ready and willing to satisfy any inquirer, by the most conclusive certificates, and by numerous living witnesses in every town, who prefer recommending the medicine by word of mouth to having their names published. One of our patients recently cured took One Dozen Bottles to distribute. Surely all comment is here unnecessary with reference to its perfect efficacy.

My brethren of the profession use it in their practice because its wonderful cures are the effects of pure genuine Pathological principles with which the Quack or Charlatan has nothing to do. They may copy, imitate, counterfeit, &c. but if all they can do, and are never to be trusted, as they are only catch pennies and may seriously impair the Constitution.

Dr. Taylor's Balsam of Liverwort is the happy combination of Homoeopathy and Allopathy. It is entirely a vegetable extract, and so combined that only the most minute doses are taken, of its concentrated active principles, whose action is unlike all other remedies of the kind, and so combined, that this Balsam affects simultaneously the circulatory, respiratory and secretory organs, and increasing the temperature and action of the remote vessels, while it diminishes it in the diseased vessels and organs of the chest and throat, thus giving them an opportunity to heal by aiding nature in her efforts to throw off disease. In fine, this remedy is the only one that can with any certainty be relied on for cure. There are always two Physicians in attendance at the old office, 375 Bowers, to visit and give advice. The Poor are attended gratis. Buy only as above, and be careful to avoid counterfeiters and imitations of all kinds and signs. Look for the signature of the stealer label on each bottle. Leeds & Hazard, Druggists, 177 Water-street.

Mr. S. J. Hinesdale has received a quantity of the genuine to supply consumers. It is to be had also of D. G. Patterson, of Little Rockfish. June 27, 1846.—394.—6 mos

LOUISBURG UNION, AND NORTH CAROLINA MISCELLANY.

The above paper was established by the present Publisher in the month of July, and is issued weekly, on a super-super sheet. Since which time, it has come under the Editorial management of Mr. CHARLES C. RABOTEAU; and it is now proposed to publish a Literary and Family Newspaper under the above title.

Mr. Raboteau is favorably known in this State as a writer; and he will be assisted by gentlemen of acknowledged talents, in this State; and he hopes, from time to time, to secure the services of others, as regular Contributors, whose joint labors will give such a value to the paper, as will make it equal in interest to any paper of the kind.

This being the only paper in the State, which abstains from the excitement of politics, devoted exclusively to miscellaneous subjects of general interest, it is hoped the enlightened public will sustain it; and, in the hope of increasing its circulation, the present Prospectus is sent out. A Specimen number of the paper has been sent with
