DEAFNESS - DR MeNAIR'S ACCUSTIC OIL The deaf from infancy, often receive in a most miraculous manner then bearing with they least expect it, by the use of this Oil, which thows them how easily they might much sooner have had their hearing and saved themselves and their friends the pain of conversing in a loud tone, without pleasure, or of being neglected and stunned, to avoid that distress which is felt mutually by the deaf person and his heaters. How sacred a duty therefore it is, that we use all necessary means to remove such an affi ction, and er joy the social qualities implanted in our natures! This Ear Oil has the effect so to relieve the tension, and being into use the natural action of the parts, as to restore the hearing when lost or impaired. This is proved by so many well known cases, that where known, it needs no praise. The gr at wish of the proprietor is, that each may speak to others of its unreleved and restored by its use! Dr D. Jayne. - Dear Sir, - My firtle son, when about two months old, was seized with a bowel complaint. It continued for two weeks without internession, and notwithstanding the remedies prescribed by a respectable Physican, we gave up the child a victim, as we supposed to a fatal disease. But I providentially heard of "Jayne's carminative,"as an . If ctual cure for bowel complaint; seven mi es off for a bottle. By the use of this med oine, in less than thirty-six hours the disease was check d, and by its constant use for a tew days

the child was restored to perfect health. . . The same child, owing to exposure, when recent ly coming up the Ohio, was attacked by that horrible malady the Croup. We landed in the night at Beaver Point, and when our feets were alarmed lest the hoarse sepulchral couch was the foremost solemn duty to alleviate the distress his wife is exposed to, by a safe and certain method, which is the use of Mother's Relief.
