excesses in the use of mercury, &c.

DEAFNESS- DR McNAIR'S ACOUSTIC CIL The deaf from infancy, often receive in a most miraculous manner their hearing when they least expect it, by the use of this Oil, which shows them hearing and saved themselves and their friends the pain of conversing in a foul tone, without pleasure, or of being neglected and sounned, to avoid that distress which is felt mutually by the deaf person and his heavers. How sacred a duty therefore it 14, that we use all necessary means to remove such an afil ction, and er joy the social qualities implanted in our natures! This Ear Oil his the effect so to relieve the tension, and bling into use the natural action of the parts, as to restore the hearing when last or impaired. This is proved by so wany wel known cases, that where known, it needs no praise. The gr at wish of the proprietor is, that each may speak to oth re of its uncommon virtu s, tile suff rers may know and be releved and restored by its use Known by my signature on the flask. Price, DONALD MeNAIR, M. D. Com-tock & Co, New York, are the whole-

Worms are Swept away from the stomach and Bowels by Jayne's Tonic Verm fuge, as by the besom of destruction. They perish under its searching influence instantly, and are expelled with the mucus in which they are imbedded. The care is in almost alleases permanent, and if a recurrence of he disorder should take place, a few doses of the preparation wil never fall to produce the de-

STILL MORE PROOF. Darlington, Beaver Co., Pa., Feb. 18, 1839. Dr D. Jayne. - Dear Sir, - My hitle son, when about two months old, was seized with a bowel complaint. It continued for two weeks without intermi-sion, and notwithstanding the remedies prescribed by a resp ctable Physican, we gave up the child a victim, as we suppose d, to a fatal disease. But I providentially heard of " Jayne's carminative,? as an off c nal cure for bowel complaint, and immediate'v despatched a messe ger to a town seven miles off for a bottle. By the use of this medicine, in less than thirty-six hours the discase

was checked, and by its constant use for a tew days the child was restored to perfect health. The same child, owing to exposure, when recent the use of this most extraordinary vegetable production. These who will candidly observe its virtues, must approve of it in their hearts; every kind and affectionate husband will feel it his most solemn duty to all virte the distress his wife is exposed to, by a safe and certain method, which is the use of Mother's Ratio. throat and breast; and before many minutes the hourseness was gone, the child breathed freely and

Talbut, dated "City of the Angels, California,

"January 15, 1847. "Since last I wrote you I have had an acive life. Col. Fremont left the city of the Angels in September, under command of Capt A. H. Gillespie with thirty odd riflemen, the commodore having entirely withdrawn his forces and proceeded with his squadron to San Francisco. We moved to the north, the colonel having with him only 40 men, (his old party,) the rest of the force having in part preceded us, and part been disbauded, with he exception of two small parties stationed south of the City of the Angels. I was left as military commandant of the town and juris-The Mexican particulars of the combat, diction of Santa Barbara, a pretty place lying on the ocean one hundred miles north of the City of the Angels, and the principal town between that place and Monterey. There were only nine men left with me, it being the colonel's intention to recruit at the north, and seturn immediately. The Prefect, the principal civil authority of the southern department, resided there, and I was left for the purpose of supporting him. My position was a very pleasant one; Santa Barbara being the residence of some of the stateliest Done and prettiest Senoras in all California. I had been here, however, but a few days when of Vasquez. Cols. Cosio and Calatayud are I received a Corren, post haste from Capt. Gillespie, bringing news of a rebellion in the South-the City of the Angels being surrounded by 500 of of the Califo nions under arms. The courier had barely escaped with his life, and brought me Gillespie's motto seal, concealed in a cigarita, to voutch for the troth of what he told. Having warned me he harried on to the north to give this news to Gen. Salas who was President ad interim the colonel and commodore. I spent several

> regard to the motions of the insurgents. · Here let me remark, that nothing has surprised me so much, in my little intercourse with the Mexicans, as the humanity and charity of the women, as compared with the almost brutal ferocity of the men.
