DEAFNESS-DR Menair'S ACOUSTIC OIL The deaf from infancy, often receive in a thost miraculous manner their hearing when they least Expect it, by the use of this Oil, which shows the m how easily they might much sooner have had their hearing and saved themselves and their friends the pain of conversing in a loud tone, without pleasure, or of being neglected and s'unned, to avoid that distress which is felt mutually by the deaf person and his hearers. How sacred a duty therefore it is, that we use all necessary means to remove such an affiction, and enjoy the social qualities implanted in our natures! This Ear Oil has the effect so to relieve the tension; and biling into use the natural action of the parts, as to restore the hearing When lost or impaired. This is proved by so many we'l known cases, that where known, it needs no praise. The great wish of the proprietor is, that each may speak to others of its unrelieved and restored by its use!
