## DEAFNESS—DR MCNAIR'S ACOUSTIC OIL.

The deaf from infancy, often receive in a most miraculous manner their hearing when they least expect it, by the use of this Oil, which shows them how easily they might sooner have had their hearing and saved themselves and their friends the pain of conversing in a loud tone, without pleasure, or of being neglected and stunted, to avoid that distress which is felt naturally by the deaf person and his hearers. How sacred a duty therefore it is, that we use all necessary means to remove such an ailment, and enjoy the social gratities implanted in our natures! This Ear Oil has the effect to relieve the tension, and bring into use the natural action of the parts, as to restore the hearing when lost or impaired. This is proved by so many well known cases, that where known, it is no longer a secret. The great advantage of the proprietor is, that each may speak to others of its uncommon virtues, till such persons may know and be relieved and restored by its use.  
Known by my signature on the flask. Price, \$1 per flask.  
Comstock & Co, New York, are the wholesale sellers of this Oil.  
Sold in Fayetteville by S J Hinsdale.

## The Graefenberg Vegetable Pills.

## 30,000 Boxes Sold Each and Every Week.

THE GRAEFENBERG COMPANY  
Heretofore give notice that their General Agent for the State of North Carolina is Col. WM. JONES, Lumburg, Frank in county, N. C.  
The General Agent is fully prepared to appoint sub-agents wherever there is no branch of the company; either on personal application, or by mail, post-paid. The rapid sale of these celebrated pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.  
The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints, in general derangement of the system, in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.  
In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Heretofore all complaints, existing within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.  
CURES ARE CONSTANTLY EFFECTED BY these Pills, in cases where every other means has failed. The most abundant proof of this could be given, but a trial of one single box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. Where two dollars are worth are ordered and the money remitted, the Company will pay the postage on the Pills. Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.  
These Pills are taking the place of all others, and no sick person should be without them.  
ALL BILIOUS COMPLAINTS, Bowel Complaints, Constipation, Dropsy, Fever and Ague, Headache, Jaundice, Liver Complaints, Rheumatism, All Stomach Complaints, Green Sickness, &c. &c., yield at once to these Pills. They purgative away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In case of general derangement of the health, they are Sovereign.  
By their use, the weak will become strong; the pale and bilious complexion be restored to a healthy and happy color; all the bad symptoms will be one by one destroyed.

## HOWD'S

## UNITED STATES

## Patent Water Wheel.

THE subscribers having purchased of the United States Water Wheel Company, the exclusive right of making, vending and using S. B. Howd's Patent Cast Iron Direct-acting Water Wheel, in that portion of Virginia lying south of the James River, and east of the Blue Ridge, with North Carolina—This, therefore, is to inform all persons that may be interested in the Water Wheel within said territory, that they hold themselves in readiness to accommodate all persons that would wish their water power improved upon the most liberal terms. Our patterns have been so improved, that a competent Mill Wright could soon put the wheels in operation. The Space and Gate, for the small Wheels, are all of iron and fitted at the shop; the shaft and gear are also of iron, and of suitable strength to answer the purpose designed.  
As regards the utility of the Wheel, we refer to the certificates attached. There are hundreds of them running at the north and a few in Virginia. Some of the Virginia certificates are here attached—the northern will be sent to any one that may wish to see them. These Wheels have displaced all other wheels known to the subscribers.  
IRA STANBROUGH, who has been engaged for the last seven years in putting them up, feels competent to undertake the most important jobs. The price of the above named Wheels has been reduced about one-third since the purchase by the subscribers, and we feel confident that we shall be able to give satisfaction to all that order our wheels.  
For further particulars, address either of the subscribers, at Petersburg, Va., or Mr. A. P. HURT, our Agent, Fayetteville, N. C., who will attend to all orders with despatch.  
IRAH WELLS, IRA STANBROUGH.

## CERTIFICATES.

Mr Ira Stanbrough, of the State of New York, has put into operation at the Blue Ridge Manufacturing Company in this place, one of Howd's Patent Water Wheels, 7 feet in diameter, with 18 inch buckets, under the following circumstances: The mills contain 2,700 Thrustle and Danforth Spindles, which have been driven by two Great Wheels, each 12 feet long by 13 diameter, under a head and fall of about 11 feet, but the location being subject to back water, these wheels did not work to advantage. Mr Stanbrough having great confidence in his wheels, and happy to say has resulted very satisfactorily, and that he has fairly and fully fulfilled his contract, and I would recommend his wheel to public notice.  
J. B. VARNUM, Agent for the company.  
Petersburg, November 17, 1845.

This certifies that the Howd Wheel I put in my mill eighteen months since, that ground, upon trial, 20 bushels of corn per hour, has worked so well and convinced me so fully that it is the best wheel driven by the force of water, that I have determined to put up another the next season.  
WILLIAM MURRAY.  
Seedwell Mills, Albemarle Co., Va. }

Howd's Patent Water Wheels, 5 feet diameter, 18 inch depth bucket under a head of 20 feet; that the said wheel has been in operation about six months, and from the improvement so far made, I regard it a valuable acquisition to the establishment.

## CASH BARGAINS STORE

Save 25 per cent! Save 25 per cent!

THE subscriber having established himself on Hay street, for the purpose of conducting the Dry Goods business, on the CASH principle, would respectfully invite the attention of the inhabitants of Fayetteville and surrounding country, to his well selected stock of FRESH SPRING DRY GOODS.

As he is desirous of making Fayetteville his permanent place of residence, it is to his advantage to keep only such Goods as will, by price and durability, please, and thereby insure a share, at least, of the custom of the community.  
Having been transacting business at the North, which caused him to be constantly in the market, purchasers can rest assured of having shown them such goods only as have latest made their appearance. His stock consists of ladies and gentlemen's dress, white, Muslin, and housekeeping Goods; Shawls; Handkerchiefs; Gloves; Mitts; Hosiery; and more Clothing together with a lot of Notions, making in all a stock too tedious to enumerate.

## Asthma Cured by Jayne's Expectoant.

Lumbertville, N. J. April 27, 1844.

Dr. Jayne—Dear Sir:—By the blessing of God, your Expectorant has effected a cure in me of a most distressing complaint. In December last, I was seized with great severity by a paroxysm of Asthma; a disease with which I had been afflicted for many years past. It was attended with a hoarseness and soreness of the lungs and throat, together with a laborious cough, and complete prostration of strength, and worn out with suffocation, when a bottle of your Expectorant was sent to my house. At first I thought it was nothing but quackery, but seeing it was so highly recommended by Dr. Goring, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. Yours, most respectfully,

JOHN SEGER.
