JOHN C. LATTA,
COMMISSION MERCHANT
GENERAL AGENT,
WILMINGTON, N. C.

100,000 Acres Valuable TIMBER LAND FOR SALE.

THE Subscriber has purchased all the Lands belonging to the estate of Abner Duhon, and lying principally in Robeson county, and on both sides of Lumber river, the different surveys containing over ONE HUNDRED THOUSAND ACRES; a large part finely timbered, and convenient to Lumber river, where a large quantity of Timber is now rafted to the Georgia market. These lands are very valuable for Timber and Turpentine, for which purpose a large part is well suited, being in a region where the Turpentine yields more abundantly than any other section of the State. The lands which he sold at a low price, and in quantities to purchasers.
Information respecting the title can be obtained by applying to the Hon. Robert Strange, J. C. DUN, Esq., A. T. Smith, Esq., Attorneys at Law, in Fayetteville.
understand there are many trespassers on the lands, to all of whom notice is hereby given that the law will be enforced against all such offenders.
Application for any part of the lands can be made to myself, or to John Winslow, Esq., who is the duly authorized to make sale of the same.
March 11, 1848. THOMAS J. CURTIS.

For Dyspepsia.
R. F. HIBBARD & CO'S WILD CHERRY BITTERS.
This preparation is a certain and salutary allaying all Nervous Excitability and calming Nervous Irritation—Palpitation of the Heart—Dizziness of the Head—Faintness, and all diseases arising from a Sympathetic Affection of the Stomach, are entirely relieved by a very few doses of these Bitters.
It has already become a favorite with many Medical Practitioners.
The Rev. J. N. Maffitt, who has used it, speaks of it as follows:
BROOKLYN, JAN. 1847.
Gentlemen: Having suffered for years from the effects of sedentary habits and close application to study, I was induced to try your preparation of Wild Cherry. Its beneficial effects were soon apparent, and I take great pleasure in recommending it as an excellent medicine especially adapted to excitable temperaments, and one that should be generally known and patronized. Yours, J. NEWLAND MAFFITT.

The Long Island (N. Y.) Farmer, a paper printed at Jamaica, L. I., gives the names of persons that village who have been benefited and cured by its use.
The following named persons have been benefited by their use in Jamaica: M. S. Huntington, James J. Brantley, Charles W. Waring, Hendrick A. Hendrickson, J. E. Allemand, Mr. Manwaring, Daniel Higbie, Springfield.

Hibbard's Wild Cherry Bitters.—Three obstinate cases of Fever and Ague, have been cured recently by the use of Hibbard's Wild Cherry Bitters. Mr. Watts, at Springfield, says that it cured him after other remedies had failed, and tried in vain. B. F. Hibbard's Bilious Pills, should be taken, say a dose or two, before using the Bitters. Two of these pills are a dose, and are equal to 4 or 6 pills of any other kind.

Mr. Ward, of the firm of Gales Stout & Ward of this city says that he has found it very beneficial in a number of cases of fever and ague. The number of persons that have been cured and benefited in Jamaica alone, would establish the reputation of the article.

S. J. HINSDALE, Agent for Fayetteville; P. F. Pescud, Raleigh; P. J. Brown, Louisiana; B. Howard, Tarboro; Dennis Hart, Hillsboro. R. F. Hibbard & Co. 28 John street, N. Y., sole proprietors.

TEAS!
AGENCY OF THE NEW YORK CANTON TEA COMPANY.
The oldest Establishment in America!
THE CANTON TEA COMPANY has been popularly known for many years. This is the largest and oldest Tea Establishment in America. The public have had full proof of their integrity and responsibility.
They possess facilities in relation to the Tea Trade, in any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably larger than all other Tea Establishments united, and they consequently are determined to sell their purest, most fragrant, and perfect for the price in the aggregate, than any house in the world—China excepted.
They most zealously invite the attention of the inhabitants of this town and vicinity to their Agency, where complete assortments are always on hand; they feel no hesitation in stating that whatever quality of tea is made, a very decided preference is given to the celebrated Teas of the CANTON TEA CO.
Ladies are invited to the experiment! Subject in all cases to be returned or not approved of.
These superior Teas are put up in one pound, half pound, and quarter pound packages, and perfectly secured from light and air.
S. S. GILCHRIST, Agent.

LIBERTY POINT HOTEL.
FAYETTEVILLE, N. C.
The Subscriber having leased the House formerly known as the Jackson Hotel, and more recently as the Oregon Hotel, in the town of Fayetteville, gives notice to the public in general, that it is now open for the accommodation of boarders and travellers. His table will be supplied with the best fare which our market affords, and his bar room with the most choice liquors—in short, every exertion will be made to render his patrons comfortable. Particular attention will be paid to those who may favor him with a call. From his determination to please all, if he can, he hopes to gain, as well as merit, a share of public patronage.
THOS. H. MASSIEY,
February 19, 1848.

NOTICE.
ALL persons indebted to the Subscriber will call and PAY UP their old accounts, as money is wanted. Finding the profits on a small business will not justify paying a book-keeper and collector. CASH will be required in all cases for goods sold after this date, as no books or accounts will be kept. It takes cash to buy luxuries.
I have just received, by steamboats from Wilmington, fresh Raisins, Lemons, Cocoanuts, and 10 boxes fresh CANDLES, 25 lbs. each, which I will sell as high as possible, FOR CASH.

Adhesion, the tendency which dissimilar bodies have to adhere or stick together.
Aeration, the saturation of a liquid with air.
Aeriform, having the form of air.
Aerostation, primarily, it denotes the science of weights suspended in the air; but, in the modern application of the term, it signifies the art of navigating the air.
Affinity, relationship, the force which causes dissimilar particles of matter to combine together, so as to form new matter.
Albumen, an important animal principle. The white of an egg is albumen, mixed with water.
Alkali, a soluble body, with a hot, caustic taste, which possesses the power of destroying acidity; the term is derived from *alkali*, the Arabic name of a plant, from the ashes of which one species is obtained, and the article *al*.
Amalgam, a chemical term, signifying the union of any metal with mercury, which is a solvent of various metals.
Amorphous, not possessing regular form.
Analysis, the separation of a whole into parts.
Angle, the inclination of two straight lines to each other, which meet together, but are not in the same straight line.
Anhydrous, containing no water.
Anion, that which goes up, a substance which in electrolysis passes to the anode.
Anode, the way which the sun rises; the surface at which the electricity passes into a body, supposing the currents to move in the apparent direction of the sun.
Antiseptic, possessing the power of preventing putrefaction.
Approximate, having affinity with; bordering upon.
Aqua Regia, i. e., Regal Water, a mixture of nitric and muriatic acids; so called from its property of dissolving gold, held by the alchemists, to be the king of the metals.
Aqueous, when prefixed to a word, denotes that water enters into the composition of the substance which it signifies.
Arc, a part of a curved line, as of a circle, ellipse, &c.
Armature, a piece of soft iron applied to a loadstone, or connecting the poles of a horseshoe magnet.
Astatic Needle; a double magnet needle not affected by the earth's magnetism.
