WILD CHERRY AND SARSAPARILLA PILLS.
DR. LE BOY, a Licentiate of the Royal College of Physicians in London, having been a private practitioner for a number of years, the WILD CHERRY AND SARSAPARILLA PILLS, which he has combined in one of the best Pills ever made known to the European Community, and which merit the attention of the American people—They are the most efficacious purgative and tonic yet discovered.

THE WILD CHERRY PILLS are an excellent tonic, possessing astringent and aromatic properties, which make it valuable in Dyspepsia, Jaundice, Weakness of the Stomach and chest.

THE SARSAPARILLA PILLS are a diuretic and astringent, and is given in Rheumatism, Scrophulous Diseases of the Skin, and in all the best effects of Mercury. In the operations of all other purgative medicines debilitation and purgation go hand in hand; they remove the good, as well as the bad, thus weakening the system, which they were only required to cleanse, and making the cure generally almost as bad, and frequently more so than the disease. Dr. Le Boy's Pills, on the contrary, strengthen and tone the system which they purge and purify. And this is their peculiar attribute, and the principal cause of their unrivalled popularity.

P. S. The virtues of the SARSAPARILLA and Wild Cherry are too well known to medical men and the community to require further detail.

ANOTHER PROOF OF THE EFFICACY OF DR. JAYNE'S HAIR TONIC. I will certify that I was entirely bald for about three years, when I was recommended to try Dr. Jayne's Hair Tonic. I procured two bottles of Mr. Jayne's Hair Tonic, and used the Tonic for about fifteen months, my hair came in all over my head, and although not quite as thick as before yet, it is constantly growing. This surprising success of my hair has excited the astonishment of all my acquaintances, and made me an object of curiosity to many. I am now 35 years of age, and have reason to regard the inventor of this matchless Hair Tonic as a public benefactor.

NO CURE, NO PAY!
FEVER AND AGUE—Jayne's Ague Pills warranted to cure the worst forms of Fever and Ague. The money will be refunded in all cases if they fail to cure, but they never do fail.

OF ABOUT ONE THOUSAND AND ONE MEDICINES advertised as certain cures for all pulmonary complaints, "Jayne's Expectant" stands alone. Its path to public confidence has been paved not with puff-blasts, but with the vouchers for its efficacy, which are an array of names which for character and respectability cannot be surpassed in this country. Dr. Jayne, being himself a physician, does not profess to perform physical impossibilities—as for instance, to cure a man whose lungs are like a honey-comb, completely riddled, as it were, by disease, but he does assert, and we believe he is borne out by well authenticated facts, that in all diseases of the lungs and chest which are susceptible of cure without mischievous interference, his Expectant will restore the patient to health.

Prepared only by Dr. D. Jayne, Philadelphia, and sold on agency by S. J. Hinsdale.

TEAS!
AGENCY OF THE NEW YORK CANTON TEA COMPANY.
The oldest Establishment in America!
THE CANTON TEA COMPANY has been popularly known many years. This is the largest and oldest Tea Establishment in America. The public have had full proof of their integrity and responsibility.

They possess facilities in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to the principles of honesty and integrity, and their large house, is well understood, and has already secured them a connection, probably larger than all other Tea Establishments in the United States. They consequently are determined to sell their Tea pure, more fragrant, and perfect for the price in the aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of this town and vicinity to their Agency, where complete assortments are always on hand; they feel no hesitation in stating that wherever a single tea is made, a very decided preference is given to the celebrated Teas of the CANTON TEA CO.
For a Reader, make the experiment! Subject in all cases to be returned or not approved at.

These superior Teas are put up in one pound, half pound, and quarter pound packages, and perfectly secured from light and air. SAML. J. HINSDALE, Agent.

For Dyspepsia.
R. F. HIBBARD & CO'S WILD CHERRY BITTERS.
This preparation is a certain Sedative allaying all Nervous Excitability and calming Nervous Irritation. Palpitation of the Heart—Dizziness of the Head—Faintness, and all diseases arising from a Sympathetic Affection of the Stomach, are entirely relieved by a very few doses of these BITTERS.

It has already become a favorite with many Medical Practitioners.

The Rev. J. N. Maffit, who has used it, speaks of it as follows:
BROOKLYN, JAN. 1847.
Gentlemen: Having suffered four years from the effects of sedentary habits and close application to study, I was induced to try your preparation of Wild Cherry. Its beneficial effects were soon apparent, and I take great pleasure in recommending it as an excellent medicine especially adapted to excitable temperaments, and one that should be generally known and patronized. Yours, J. NEWLAND MAFFIT.

The Long Island (N. Y.) Farmer, a paper printed at Jamaica, L. I. gives the names of persons in that village who have benefited and cured by its use.

The following named persons have been benefited by their use in Jamaica: M. S. Huntington, James J. Brenton, Charles Welling, Hendrick A. Hendrickson, J. E. Allemand, Mr. Manwaring, Daniel Higbie, Springfield.

Hibbard's Wild Cherry Bitters.—Three obstinate cases of Fever and Ague, have been cured recently by the use of Hibbard's Wild Cherry Bitters. Mr. Watts, at Springfield, says that it cured him after other remedies had been tried in vain. B. F. Hibbard's Bilious Pills, should be taken, at a dose or two, before using the Bitters. Two of these pills are a dose, and are equal to 4 or 6 pills of any other kind.

Mr. Ward, of the firm of Gales Stout & Ward of this city says that he has found it very beneficial in a severe attack of fever and ague. The number of persons that have been cured and benefited in Jamaica alone, would establish the reputation of the article.
