#### DR. TOWNSEND'S SARSAPARILLA.

This extract is put up in quart bottles; it is Will be sold on the first Monday of December six times cheaper, pleasanter, and warranted next, at public auction, at the Court House, that superior to any sold. It cures diseases without desirable little farm on the Wilmington road, vomiting, purging, sickening, or debilitating the

> GREAT FALL AND WINTER MEDICINE. The great beauty and superiority of this Sarsa-parilla over all other medicine, while it eradicates diseases, it invigorates the body. It is one of the very best fall and winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure, and rich blood; a power possessed by no other medicine.

> We have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq, one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the preventive of diseases known.

> RHEUMATISM. This Sarsaparilla is used with the most perfect success in rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Hear Mr Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. supposed to have been persuad- The following is an extract of a letter received Dr. Townsend: I have used one bottle of your

Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla.

SETH TERRY. Hartford, March 12, 1845.

GREAT FEMALE MEDICINE. Dr. Townsend: My wife being greatly distres-sep by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints, and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and commend it to the public. M. D. MOORE,

Corner of Grand and Lydius sta. Albany, Aug. 17, 1841.

TO MOTHERS AND MARRIED LADIES. This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching wemanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this me-dicine is invaluable for all the diseases to which women are subject.

It braces the whole system, renews permanentthe natural energies-by removing the impurities of the body-not so for stimulating the system as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three children cured in one house is unprecedented.

Dr. Townsend is almost daily receiving orders from physicians in different ports of the Union.
