GREAT FALL AND WINTER MEDICINE. The great beauty and superiority of this Sarsaparilla over all other medicine, while it eradicates diseases, it invigorates the body. It is one of the very best fall and winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure, and rich blood; a power possessed by no other medicine.

We have letters from physicians and our agents to the Jail of Moore county. N. from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq, 1849, a negro boy who calls his name EZEKIEL, and says that he belongs to James McKay of 150 cases in that place alone. There are thou-Brunswick county, N. C. Said sands of cases in the city of New York, which negro is black, 5 feet 10 inches we will refer to with pleasure and to men of high. The owner of said negro character. It is the best medicine for the preventive of diseases known. RHEUMATISM.

This Sarsaparilla is used with the most perfect success in rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen. Hear Mr Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn.

from him: Dr. Townsend: I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and

recommend your Sarsaparilla. SETH TERRY. Hartford, March 12, 1845.

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful com-plexions—all of which are of immense value to unmarried ladies.

Dr. Townsend: My wife being greatly distres-

sep by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints, and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and commend it to the public. M. D. MOORE,

TO MOTHERS AND MARRIED LADIES. This extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, 2s it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which

women are subject. It braces the whole system, renews permanenty the natural energies-by removing the impurities of the body-not so far stimulating the system as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease

Dr. Townsend, Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation. Yours respectfully, ISAAC W. CRAIN. New York, March 1, 1817.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union. > Rahway, Jan. 25, 1847. A year since, I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla.
