LIVER COMPLAINT.

The following is an estract of a letter received from Rey Wm. Galusha. Berkshire, Vt., Oct. 22, 1848.

Messrs Sands: I have been afflicted with a severe pain in my side, occasioned by a diseased liver, for the last 20 years, suffering at times what language cannot convey but since taking your Sarsaparilla 1 have been greatly relieved, so much so that I have been able to attend to my business, and preach occasionally, for the last 18 months wholly discarded all other medicine, and thoroughly tried the Sarsaparilla, which I can recommend in truth and sincerity to all those who are in any way afflicted with any species of scrofulous complaints. There have been some remarkable cures effected by its use in this vicinity Mrs I. Shaw, by the use of six bottles, was restored to bet ter health than she had before enjoyed for ten years; and Mr W. Stevens, who had been severely afflicted with erysipelas, was entirely cured by the use of a few bottles. Yours truly, WM. GALUSHA.
