10,000 boxes sold within the last 9 months

A. J. WOODWARD returns his thanks to the public for the unprecedented encouragement he has met with in the manufacture and sale of his celebrated Polish, and at the same time wishes it understood that he always keeps a supply on hand for wholesale or retail.

Experience has proved that this Polish is unsurpassed for quickness in putting a gloss on boots and shoes, and also in preserving the leather.

Persons wishing to oil their boots can use this Polish with equal success immediately afterwards; the leather should be rubbed as soon as the Polish is applied, before it dries.

The Polish can be found at the store under the Carolina Printing Office.

The undersigned having recently completed their contract on the South Carolina Railroad, will positively sell, without reserve, on Tuesday the 27th day of April next, at Aiken, South Carolina, to the highest bidder,

Among the fellows are first rate Blacksmiths, Carpenters, Coopers, Brick-Moulders, Wheel-Rights and Waggoners.

Among the women, one excellent weaver and seamstress, another very good cook. All well trained and disciplined for Rail and Plank-road working, (having just completed splendid piece of work at Aiken, S. C., under the management of a gentleman of very superior ability and experience, and well calculated to train them). They make a most valuable and reliable untrained hands, to which we would respectfully beg leave to call the attention of those engaged in such enterprises.

The Mules are all stout, young, select, well broke and ready for work. The Carts were gotten up by one of the best manufacturers in the State—iron axles and not much injured by use.

We deem it unnecessary to say more, as the property will show for itself. Terms CASH. Aiken, S. C., immediately on the Railroad, 16 Miles from Hamburg.

## FROM EUROPE.

The British mail steamship Europa arrived at New York from Liverpool on the 25th. Cotton had declined an eighth of a penny in the Liverpool market.

The news from England is unimportant.

Parliament re-assembled on the 14th.

The Kaffir war had been concluded by the unconditional submission of the Kaffirs.

In France a decree has been published which declares that it is indispensably necessary for members elected to the Assembly to take an oath to the Constitution and the President, and that any person refusing so to do, shall forfeit his seat.

The exclusive control of education will hereafter be exercised conjointly by Church and State. The arming of Paris progresses. It was believed that Louis Napoleon would assume the title of Emperor on the opening of the Chambers on the 29th.

## DESTRUCTIVE FIRE IN N. YORK.

At half-past 12 o'clock on the 26th, a fire was discovered in the large five-story stone-fronted new store of Merritt, Bliss & Co., importers of woollen and other dry goods, 191 Broadway, corner of Dey street.

The building was a double one. The rear of the back store on Dey street was entirely destroyed, and the walls fell in.

Messrs. Merritt, Bliss & Co. had stock to the amount of \$300,000. Insured for \$140,000. A large amount of damage was done to the rear of the three or four adjoining buildings on Broadway, caused by the falling in of the walls of 191.

Messrs. Millan & Co., druggists, 183 Broadway, sustained damage to the amount of from \$5,000 to \$10,000. Sky-light stove in, &c. Insured. A man, supposed to be one of the clerks, rushed out of this store, when the adjoining walls fell, forcing his passage through a door with plate glass windows one quarter of an inch thick, without damage to himself.

Messrs. Henry Robinson & Co., 187 Broadway, dealers in dry and fancy goods, had their sky light stove in, and were otherwise damaged to the amount of from \$5,000 to \$10,000. Insured.

The entire loss by this fire is not far from half a million.—N. Y. Journal of Commerce.

## FATALITY IN BLADEN COUNTY.

A few days ago the body of a white man was seen in the river at the Big Sugar Loaf; a jury was summoned by John G. Sutton, who was appointed to act as Coroner. The body was taken out and carefully examined; there was no mark of wounds, except that it was disfigured from the prey of birds and fishes. The jury returned a verdict of drowning. The deceased has since, from identity of clothes, been said to be Mr James Gardner of Harrison Creek. The last the family knew of him was, that he left home on Christmas to go to Lyon's Landing, (David Lewis, Esq's. store,) for ammunition, and was seen by some person, leaving the store and going up the river bank in search of a boat to cross the river; powder was found in his pocket. How great must have been, and still is, the distress of his family.

A Mr Dougherty left home, Cedar Creek, on board the Chatham to go to Wilmington, last week. A body has been discovered at Walker's Bluff in the river, with its right arm locked around a willow tree. He is missing, and it is believed he stepped off the boat, and that it is the body of Mr Dougherty.

A few nights ago, a woman by the name of — came to the house of John Lewis, and went to sleep complaining of a pain in the side. Next morning
