

Editors.—The life of an editor is comparatively short. He wears out before his time. The exacting toil he pursues, which is rarely, or never broken by a solitary day of relaxation, shatters his nerves, exhausts his vital energies, and makes him gray-haired almost in middle age. To him the course of nature is reversed, and night is turned into day. He labors when other men sleep. Nothing tells sooner on the constitution than this. The close room in which he usually sits, the stifling odors of damp newspapers, the gas lights increased the wear and tear upon his system, so that he is a fortunate member of his profession if he does not give out entirely before he is fifty years old. Nothing but distinguished success and the consequent ability to lighten this toil by employing substitutes, can save him from this irresistible doom.

The above, taken from the Boston Museum, is a true picture of an editor's life. Who covets it?

**Notice to my Country Friends.**  
Having located myself in Wilmington for the purpose of doing an Agency Business, persons of BARNUM LIEBIG, the great Physiologist and Chemist, by J. S. HOUGHTON, M. D. Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, &c., &c., &c., curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, five pounds of Roast Beef in about two hours, out of the stomach.  
Pepsin is the chief element, or Great Digesting principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of this forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by the healthy Stomach. It is doing wonders for Dyspepsias, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is founded, is in the highest degree Curious and Remarkable.

**SCIENTIFIC EVIDENCE!**  
Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the Gall, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."  
Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of Scientific Evidence, similar to the above, together with Reports of Remarkable Cures, from all parts of the United States.

**AS A DYSPEPSIA CURER.**  
Dr. Houghton's Pepsin has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but the above, certified as being given of more than Two Hundred Remarkable Cures. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

**OLD STOMACH COMPLAINTS.**  
There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of the system follow at once. It is particularly excellent in cases of Catarrhs, having given relief to the most distressing cases of Griping, Soreness of the pit of the Stomach, distress, after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c. &c. Dr. Houghton's Pepsin, is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, One Dollar per bottle.

**WATER WHEEL.**  
There are several hundred of these wheels in operation in different counties in North Carolina. For proof of their great advantage over the common flutter wheel, or any other wheels now in use for saw mills, we confidently refer to those who have applied them to their mills. We can recommend them particularly for their superiority in cases of a low head of water, or back water.

We still keep a supply of Wheels, suitable for different heads of water, at Wilmington, Newbern, Washington, Edenton, and Fayetteville. The wheels may also be had of E. A. Brevard, Lincolnton, and Uriah Wells, Petersburg, Va. Persons wishing to obtain the right to use the wheels, will be served on application to D. McNeill & Co., Fayetteville, N. C.

STILL continues to carry on the CARRIAGE BUSINESS in all its branches, at the remains of old stand, opposite Liberty Point. He returns thanks for the liberal patronage he has heretofore received, and hopes by strict attention to business and a desire to give entire satisfaction, to merit a continuance of the same.

Having kept the greater portion of his Timber at a distance from the manufactory, he has on hand a large and well selected lot of thoroughly seasoned Timber, which enables him to retain all his principal workmen. He is therefore now prepared to do any work in his line in the very best style, and on the most favorable terms—as low as any work of the same quality in N. C.

He has on hand, completely finished, 8 Barouches, for 1 or 2 horses; 6 Reckaways, and 13 Buggies; Also, nearly finished, 10 Carriages for 2 horses; 20 Harrows, for 1 and 2 horses; 12 Rockaways, and 20 Buggies; All of which are of the most approved plan and finish, and will compare with any work in the U. States, for neatness and durability.

Having been engaged in the above business, for the past 20 years, his work is well known, and he refers to old customers for proof of its durability.  
All work warranted for 12 months, and repaired free of charge should it fail by bad workmanship or material, within that time.  
Repairing executed at short notice, and on reasonable terms.
