

VALUABLE REAL ESTATE FOR SALE.

Dwelling House and Livery Stables.

The undersigned having determined to change his business, offers for sale the entire lot adjoining on the south side of Princess street, between Second and Third street, on which is situated the Dwelling House and Livery Stables, now occupied by him.

THE DWELLING HOUSE, situated in the central portion of the town, on the corner of two streets, is well arranged and sufficiently commodious for most families, having all necessary out buildings attached to it.

THE LIVERY STABLES are very extensive, and well planned and arranged, and as conveniently located as any similar establishment in the Southern country. The main building fronting on Second street, with its entire length on Princess street, is 100 feet long by 56 feet broad; has a basement, principal floor and loft, each of as great capacity as the size of the building will permit, is built in the best manner of stone and brick, and being covered with tin, is nearly fire proof as a building used for stables can well be made. An abundant supply of the purest spring water is had within ten feet of the building, and the establishment is now enjoying very extended patronage.

The lot will be divided if desired, and the eastern end on which the Livery Stables stand, sold separate from the Western end on which the Dwelling House is situated.

The terms will be accommodating, and any information in reference to the premises will be given by the undersigned, or in his absence by N. N. Nixon, Esq.

The above property unless previously disposed of at private sale, will be sold by public Auction, on the first day of January next.

BARGAINS! BARGAINS!

In my recent visit to New York my principal object was to get workmen and material for the purpose of manufacturing Silk Hats. After getting there, and finding it difficult to get first rate workmen to come south, I gave up the prospect of procuring any, consequently I purchased a large stock of SILK HATS. After making purchase, I engaged a gentleman as principal workman, who came well recommended. He learned his trade in Europe, and for the last 7 years he has been employed in a large manufacturing establishment in the city of New York. I then procured fashionable blocks and materials and am now fairly at work.

Manufacturing 90 Hats

per month, and will have some of them ready for sale by the 20th inst

In order that I may not be overstocked, I offer for sale AT COST my late purchase of Nov 1st, 2d and 3d quality Fashionable Mole skin Hats. Merchants may save money by purchasing of me. If you purchase in New York I will often handle before you receive them.

I shall in a short time be able to furnish merchants with Hats of my OWN MANUFACTURE at New York prices, to-wit: No. 1 at \$42. No. 2 at \$36. and No. 3 at \$30 per dozen.

This opportunity of returning my thanks to my former customers, and to invite them and other well-disposed patriotic gentlemen, that are in favor of supporting SOUTHERN MANUFACTURES, to give me a call on or after the 20th inst, as I expect to have ready for exhibition and sale Hats of my own manufacture that cannot be surpassed in style and durability. I would be pleased to see every gentleman who is in the habit of purchasing Hats, and will take pleasure in exhibiting the Hats, and showing the different process they pass through from the fur on the skin until ready for the head.

Another Scientific Wonder.

GREAT CURE FOR DYSPEPSIA. DR. J. S. HOUGHTON'S PEP-SIN, THE TRUE DIGESTIVE FLUID, OR GASTRIC JUICE.

Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D. Philadelphia.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility. Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pep-sin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Pep-sin is the chief element, or Great Digesting principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, in curing cases of Indigestion of the Ox, thus forming an Artificial Digestive Fluid, which varies in its action, and furnishes a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspepsia, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE! Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the Calve, in which various articles of food, as manna and eggs, will be softened changed, and digested, just in the same manner as they would be in the human stomach."

Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of Scientific Evidence, similar to the above, together with Reports of Remarkable Cures, from all parts of the United States.

AS A DYSPEPSIA CURE, Dr. Houghton's Pep-sin has produced the most marvellous effects in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated Certificates have been given of more than Two Hundred Remarkable Cures. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to a nervous disorder. Liver Complaint, Fever and Ague, or badly treated Malaria and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles the patient to abstinence.

OLD STOMACH COMPLAINTS. There is no form of Old Stomach Complaint which it does not seem to reach and remove as once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make the good of itself follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress, after eating, low, cold state of the Blood, Head-ache, Weakness, Tenderness, Insanity, Suicide, &c. Dr. Houghton's Pep-sin, is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy, no objection can be made against its use by Physicians in respectable standing and regular practice. Price, One Dollar per bottle.
