with swellings and enlargement of the joints, to old character Those who used for years resorted to the various coerciated springs, had tried all the liminents and external applicarions and been under treatment of some of the ablest physicians both in this country and Europe, and were pronounced incurable; still, after all these efforts had falled, this compound has cured them Many who have been cripples either hobbling upon crutches or confined to their bels for years, certify to a complete and permanent cure by the use of this remedy.
We have not space in a newspaper advertisement, to insert but a small portion of the accumulated evidence in its behalf. This evidence comes from sources which must inspire confidence in every mind. The conductors of high-toned public journals have published to the world its wonderful and beneficial effects upon themselves and those around them, and in some instances speak of hun-

dreds of cures. Physicians have resorted to it, and certify that, even in extreme cases, where consultations had been held, and they had decided that there were no hopes of recovery, even then, they procured this medicine and administered it, and it effected a complete cure. ters of various denominations have written and published what it has done for themselves and their friends; while merchants officers, mechanics, and private citizens, have furnished volumes of evidence of the highest character. s ich as accompanies no other preparation in America. HOLLOWAY'S OINTMENT.

A most Miraculous cure of Bad Legs, after 43 Year's Suffering. Extract of Letter from Mr. Wm. Galpin. of 70 St. Mary's Street, Weymouth, dated May 15th, 1851, To Professor Holloway:

Sir—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of restand sleep. Every rem-edy that medical men advised, was tried, but without effect—her health suffered severely, and the state of her legs was terrible. I had often read your advertisiments, and adwas terrible. I had often read your advertisiaents and advised her to try your Pills and Ointment; and as a last resource, after every other remedy had proved uscless she consented to do so. She commenced six weeks ago, and strange to relate, she is now in good health. Her legs are painless, without seem or sear and her elegs are painless, without seam or sear, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last forty-three years, and contrast them with her present enjoyment of health, you would induced to offer the above property at reduced deed feel delighted in having been the means of so greatly prices to enable me to rebuild my Carriage Esalleviating the sufferings of a fellow-creature.
