CURE OF CONSUMPTION. NEURALGIA, PAIN IN THE SIDE, &c.
BALTIMORE, May 1, 1852. MESSES MORTIMER & MOWBRAY :- Gentlemen-It is with pleasure I can testify to the great healing powers of Hampton's Vegetable Tincture. My wife had been afflicted for three years, laboring under a constant hacking cough, with a most violent Pain in the right Side, Neuralgia of the Head, and Dimness of Sight; very little rest day or night, and much emaciation, and to all appearances a rapid Consumption inevitable. We had the most eminent physician in Annapolis, but his medicine did not give her any relief at all, but growing worse if any change in the least; and after having read one of your pamphiets, in July last, she concluded to try Hampton's Vegetable Tincture, and after taking but two bottles of which (under Providence) we perceived a great change for the better; her appetite improved, her skin became quite clear, coughs, pains, Neuralgia, &c., entirely left her, and by the time she had taken a few bottles more she was completely cured, and is now
