HOLLOWAY'S OINTMENT. A most Miraculous cure of Bad Legs, after 43 Year's Suffering.

Extract of Letter from Mr. Wm. Galpin. of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor Holloway : Sir-At the age of 18, my wife (who is now 61) caught a from the Hotel at the foot of Haymount violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonics were distracting. and for months together she was deprived entirely of restand sleep. I had often read your advertisments, and ad-vised her to try your Pills and Ointment : and, as a last re-source, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, she is now in good health. Her legs are painless, without seam or scar, and her sleep sound and paintess, without seam of sear, and her steep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last forty-three years, and contrast them with her present enjoyment of health, you would in-deed feel delighted in having been the means of so great y alleviating the sufferings of a fellow-creature.

Having before healed an awful wound in my own legs by your unrivalled medicine. The subscriber, has taken the shop between

	A E. corner Chestnut and Fifth Streets, Philadelphia. This Essence is warranted to possess in a concentrated form, all the valuable properties of Jamaica Gingor, and will be found on trial, an excellent Family Medicine. It is particularly recommended as a tonic, to persons receiver- ing from feter or other diseases, a few drops imparting to the stomach a glow and vigor equal to a wine-glassful of braady, or other stimulant, without any of the debilitating effects which are sure, to follow the use of liquor of any kind, i and it is therefore especially serviceable to children and females. To the aged it will prove a great comfort ; to the dyspeptic, and those who are pre-disposed to gout or releumatic affections, it gives great relief ; and to the insortate who wishes to reform, but whose stomach is con- stantly eraving the noxious liquor, it is invaluable—giving ton to the digestive organs, and strength to resist tempts- turperance. Does —For a grown person one tea-spoonful; for a child, to years old, 15 to 20 drops. To be given in Sugar and Solid by S J. Hinsdale, Fayetteville, N. C., and by Druggists generally.
