Cuban Question. Session of December 18, 1854.-Mr Marietegui, representative of Santander, asked for information about the negotiations with the United States in relation to the Black Warrior affair. The speaker accused of inordinate ambition the North American democracy, which supports liberty in theory; but main-

tains slavery. Mr Luzariaga, Minister of Foreign Affairs answered that the government was determined to maintain the integrity of the Spanish territory, without neglecting the deference due to other nations. In the present case, the principle on which the government means to act, was that selling Cuba would be to sell Spanish hon-

or. (Applause.) The minister of Public Works observed that the question of slavery was a very delicate one when applied to a country which might have the fate of San Domingo if the slaves were emancipated imprudently and without due precaution. (Marks of general assent.)

A motion from M. Olozaga was then read, desiring the Cortes to adopt M. Luzariaga's declaration against the sale of Cuba, and was unanimously agreed to. A letter from Madrid to the Journal Des De-

bates, dated 19th December, says: Cuba is now settled; whatever proposal the future! United States may make, the Spanish government leas only to refer to the motion of M. Olo-
