The last Benefits of the last Emperor Bibelia.

Accompanying the despatches received from St. Petersburg, at the State Department, is the subjoined translation of the announcement of the subjoined translation of the announcement of the death of the Emperor Nicholas, with some interesting particulars in regard to the last moments of that distinguished monarch.

On the 27th of January the Emperor was taken ill with influence, but contained to occupy himself as small with the affairs of the State. A few days after—manely, on the 9th of February to the government from our ary—he felt himself somewhat better, and, contained the subjoined translation of Divine service at the palace church, we find the affairs of the state. A few days after—manely, on the 9th of February to the advice of his doctors. (Mandt and Carell.) after laving been present at the celebration of Divine service at the palace church, we have to the parade house of the engineer corps to inspect the butallions of the Ismuile affair, required to the surmounded his dring conch,) pointing to the Emperor was the celebration of Divine service at the palace church, who surrounded his dring conch,) pointing to the Emperor was the celebration of Divine service at the palace church, we will not be parade house of the engineer corps to inspect the butallions of the Ismuile affair grounded his dring conch,) pointing to the Emperor was the celebration of Divine service at the palace church, who surrounded his dring conch,) pointing to the Emperor was the celebration of Sharp the first band around the parade house of the engineer. The Bangtor that I among down the Emperor was the celebration of Divine service at the palace church, who surrounded his dring conch,) pointing to the Emperor was the celebration of The Carella, and the celebration of The Carella, and the celebration of the celebration The last Memorits of the late Emperor Michelas, of Russin; my desire has been to continue these The Emperor th

> in; thanked them in touching terms for their services, for their tried devotedness, and re-commended them to the heir apparent, blessed them, and took leave of them; and then addressing himself once more to the Cezarevitch and to Count Adlerberge, gave his last orders respecting his funeral, named the room in the lower story of the winter palace where his mortal remains were to lie in state, mentioned the place in the Peter and Paul's church (in the fortress) for his grave, requested that the funeral jesty went to see the Grand Duchess Helen ble, without any pompous catafalque or any grand decorations in the rooms or church, in order to avoid unnecessary expense. Lastly, he ordered his immediate attendants to be called in, thanked them, and blessing them, bid them farewell.

The dying Emperor retained perfect presence of mind when the reverend father began to read the commendatory prayers, and repeated the same after him, with feeble voice but with calmness. His voice soon failed. He made a sign

sentence, he delivered to the consul of the United States, who was present, a letter for n only on the 12th, in consequence of his medical and indefatignably exerted himself with complete member of his family who is in the United States; and this morning, as we understand, he leave business to the Cezarevitch. was no more.
