TO PASSENGERS. The STEAMER SUN will leave this place every TUESDAY and FRIDAY at 15 minutes after sunrise; and Wilmington every WEDNESDAY and SATUR-DAY at 12 o'clock, with Passengers and Freight.

R. M. ORRELL, Agent. Fayetteville, Oct. 1, 1854.

The largest Carriage Factory in the South-

A. A. McKethan

Respectfully informs his friends and the public, that he has built up large substantial Brick Buildings at his Old Stand, expressly for manufacturing Carriages. Thankful for the very liberal patronage he has received for the last 21 years, he hopes by strict attention to business, with a desire to give satisfaction, to merit a continuance of the same. He warrants his work to be made of the best material and by experienced workmen in each branch of the business. His work will compare favorably with any made in the United States, for neat

ness and durability.

He is determined to sell and do any work in his line on as good terms as any work done elsewhere that is as well done. He now has on hand, finished, the largest Stock of CARRIAGES, BAROUCHES, ROCKAWAYS. AND BUGGIES, ever offered in this place, and a very large stock of work nearly finished, which will be sold very low for Cash, or on short time to punctual custom-THE has on hand more than ONE HUNDRED AND FIFTY Vehicles finished and in course of con

All work made by him is warranted 12 months with fair usage, and should it fail by bad workmanship or material will be repaired free of charge.

Persons wishing to buy would do well to call and

examine for themselves.

Orders thankfully received and promptly attended to.

Repairing executed at short notice and on very reasonable terms. Fayetteville, Oct 1, 1854.

FOR SALE

TIN

AT REDUCED PRICES. For CASH or on Short Time,

250 Carriages, Barouches, ROCKAWAYS & BUGGIES of every description. Many of which are finished, and the balance being daily; among which are many new and beautiful styles, and one very fine Carriage. Some of them very light, and all made in the best manner and of the best materials. My facilities for doing Carriage work are greater than any estalishment south and I can afford and am determined to sell work of the best quality as low as it can be built for by
